Sex Versus Civilization Elmer Pendell, 1967 *Sex and Gender* H. T. Wilson, 2023-12-28 This book shows how different a focus on gender is from one on sex whether in scholarly thinking professional activity or public policy making It indicates how incorrect contemporary renditions of the difference between them is provides an explanation of this tension and difference based on the critical analysis of key institutions and shows the serious consequences of this confusion for women in particular across a wide range of institutional processes and practices in North America and Western Europe This confusion out of the failure to understand adequately the historical origins of sex as a civil designation in a political economy and in state taxation and census concerns and the corollary determination of spokesmen for the emerging capitalist and industrial nation state to extirpate the last vestiges of gender given its tie to a pre industrial kinship system found in towns and local communities This is a forcefully written study which integrates material from a vast range of disciplines and professional practices It also seeks to integrate salient work in women s and feminist studies into a critique of key institutions and practices if advanced industrial societies it uses critical theory and makes this available to students and practitioners as well as scholars and academics *Proceedings of the First International Congress on Mental Hygiene* Frankwood Earl Williams, 1932 *Leftward Ho!* Philip Abbott, 1993-03-30 This first biography of V F Calverton gives an intellectual history of the American radical movement from 1920 to 1940 and shows how he and his Modern Quarterly led the forefront in wars of ideas about sex lit and party This lively study of the career and times of Calverton examines basic questions about the relationships between literature and politics feminist agendas and political theory in ways that are still relevant Students of political thought American history and American literature will find this biography a provocative one that brings the period alive in new ways A short introduction shows how Calverton yearned to be an American Lenin Cassanova Pericles Philip Abbott then follows Calverton s participation in a series of intellectual wars fought in the 1920s and the 1930s Thus does Abbott reassess American radicalism and the development of American bohemia and socialism Calverton was the central figure in two efforts to found an American radical republic both of which were rejected by his colleagues famous writers and thinkers of his time One attempt sought to create a republic of being in which participants explored the capacities of sexual liberation as an agent for change Another involved the creation of a republic of doing in which radical citizens acted out revolutionary roles This biography of a neglected theorist reevaluates radical projects in politics psychology and the arts in America in a seminal period in their development The Continuum Complete International Encyclopedia of Sexuality Robert T.
