was a S O B in my previous life and had hurt lots of women This life is to repay some of the debts Thus the reason of the book
It is to help to free the hundreds of millions of women who are still under the control of men For millennia women have been
men s prisoners and slaves Slavery of women is still going on in many countries The book traces the slavery to its very
beginning and identifies the one tool men have been using to imprison them It was a recent event measured in evolutionary
scale Knowing the when and the how will enable the ultimate liberation of all women Though a stronger sex there is one
universal womanly weakness It is an innate sense of insecurity This weakness however was a must for the survival of our
species during the past millions of dark years Women today have no more need to feel insecure But it is still there playing
harmful psychological game to women To know this insecurity is to allow women to deal with it effectively The book also
points out the many potential traps and downfalls to women The most damaging trap for women is religion All religions treat
women as second class citizens The other is to have children They are career killers Getting married is also a bad idea 50% of
the marriages in North America end up in divorce and most are initiated by women Statistics don t lie W O M A N is an
acronym for world of man ain t nice Our world is a mess wholesale environmental deterioration wars over population and
poverty are rampant They are mostly man made by the male gender that is Our only hope is woman The misery won t end as
long as men are allowed to run our world Women are our saviors But women can t save the world without a tool The tool is
moral selfishness which is the other central message of the book Thank you *The Publishers' Trade List Annual* ,1985
