Sex and the Single Savior Dale B. Martin, 2006-01-01 Probing into numerous questions about gender and sexuality Dale Martin delves into the biblical texts anew and unearths surprising findings Avoiding preconceptions about ancient sexuality he explores the ethics of desire and marriage and pays careful attention to the original meanings of words especially those used as evidence of Paul's opposition to homosexuality For example after a remarkably faithful reading of the scriptural texts Martin concludes that our contemporary obsession with marriage and the whole search for the right sexual relationships is antithetical to the message of the gospel In all of these essays however Martin argues for engaging Scripture in a way that goes beyond the standard historical critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ

The Law of Love Wylark Day, 2002-12-09 What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1 Corinthians 8:2 And if any man think that he knoweth any thing he knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is best because it is based on Fear Yet God's philosophy is LOVE and to love requires knowledge In this the second volume of Sex and the Bible we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine

What the Bible Says About Sex Jeremiah Cataldo, 2022-08-12 When it comes to sex the Bible is marred by inequality To address the consequences of that What the Bible Says About Sex asserts that modern perspectives

on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity
