Sex Crime In The News:

Sex Crime and the Media Chris Greer, 2012-12-06 Sex crime has become one of the most intense areas of public and political concern in recent decades This book explores the complex influences that shape its construction in the press Media representations give important clues as to how we should perceive the nature and extent of sex crime how we should think and feel about it how we should respond to it and the measures that might be taken to reduce risk Understanding the media construction of sex crime is central to understanding its meaning and place in our everyday lives Unlike much of the existing research this book explores the construction of sex crime at every stage of the news production process It then locates the findings within a wider context of cultural economic and political change in late modernity. The book shows how increased market competition and tabloidisation has altered fundamentally the way in which news is produced communicated and consumed discusses representations of the full range of sex crimes from consensual homosexual offences and prostitution to serial rape and sex murder draws upon extensive empirical research in Northern Ireland while addressing issues relevant to advance capitalist societies across the globe **Sex Crime in the News** Keith Soothill, Sylvia Walby, 2023-03-31 First published in 1991 Sex Crime in the News is a unique examination of the nature of sex crime reporting in the press Analysing examples from forty years of newspaper coverage the authors provide a systematic study of this controversial topic The book reveals the misleading and trivializing nature of sex crime coverage with serious research reports on rape and discussions on law reform being given short shrift The authors examine the increasing gap between the reality of sexual abuse and the coverage it receives in the press and they set their detailed empirical work within a context of broader concerns about the relationship between the media the individual and the state Critical though it is of the press this book will be of special interest to people working in the media and to legislators involved in debates about the press It will also be of value to students on course in women s studies cultural and media studies and deviancy The Role of the Media in Criminal Justice Policy Natalia Antolak-Saper, 2022-09-09 This book provides a socio legal examination of the media's influence on the development and implementation of criminal justice policy This impact is often assumed And especially in the wake of high profile crimes the press is routinely observed calling for sentences to be harsher and for governments to be tougher on crime But how do we know that there is a connection To answer this question the book draws on a case study of the media reporting of the rape and murder of Jill Meagher in Melbourne Australia as well as other well known cases including those of James Bulger Sarah Payne Stephen Lawrence and Michael Brown among others Deploying a socio legal framework to examine how the media s often powerful and emotive narratives play a crucial role in the development and implementation of law the book provides a deep and critical reflection on its influence The book concludes with a number of suggestions for media reform both to moderate the media s influence and to incorporate a broader range of viewpoints This multi disciplinary book will appeal to scholars and students in sociolegal studies criminology and criminal law as well as those

working in relevant areas in sociology and media studies Crime, Media and Culture Greg Martin, 2018-12-07 Working broadly from the perspective of cultural criminology Crime Media and Culture engages with theories and debates about the nature of media audience relations examines representations of crime and justice in news media and fiction and considers the growing significance of digital technologies and social media The book discusses the multiple effects media representations of crime have on audiences but also the ways media portrayals of crime and disorder influence government policy and lawmaking It also considers the processes by which certain stories are selected for their newsworthiness Also examined are the theoretical conceptual and methodological underpinnings of cultural criminology and its subfields of visual criminology and narrative criminology Drawing on case studies and empirical examples from the increasingly blurred worlds of reality and entertainment the dynamics of crime media and culture are illuminated across a range of chapters covering topics that include moral panics folk devils and trial by media fear of crime cop shows and courtroom dramas female criminality and child on child killing serial killers surveillance new media and policing organized crime and state crime Crime Media and Culture will be an invaluable resource for undergraduate and postgraduate students interested in criminology and media studies The book will also prove useful for lecturers and academic researchers wishing to explore the intersections of crime media and cultural inquiry News, Gender and Power Stuart Allan, Gill Branston, Cynthia Carter, 2002-01-31 How do gender relations affect the practice of journalism Despite the star status accorded to some women reporters and the dramatic increase in the number of women working in journalism why do men continue to occupy most senior management positions And why do female readers viewers and listeners remain as elusive as ever News Gender and Power addresses the pressing questions of how gender shapes the forms practice institutions and audiences of journalism The contributors who include John Hartley Pat Holland Jenny Kitzinger and Myra Macdonald draw on feminist theory and gender sensitive critiques to explore media issues such as ownership and control employment and occupation status the representation of women in the media the sexualization of news and audience research Within this framework the contributors explore media coverage of the trial of O J Simpson British beef and the BSE scandal the horrific crimes of Fred and Rosemary West child sexual abuse and false memory syndrome the portrayal of women in TV documentaries such as Modern Times and Cutting Edge Sex Crime and the Media Chris Greer, 2012-12-06 This title discusses the representation of sex crime in the newsprint media in Northern Ireland It formulates recommendations for positive and realistic change in the way the press report sex crime and in the way relevant agencies act as sources in the news production process Crime. Culture and the Media Eamonn Carrabine, 2008-09-22 Why are newspapers and television programs filled with stories about crime and criminals Is their portrayal of crime accurate How do the media transform our attitudes to crime Is fear of crime for example really created by the media The book introduces the different ways in which relationships between crime and the media have been understood including classic debates about the media's effects news production and moral panics as well as more

cutting edge studies of the representation of crime in the contemporary media **Sex Crime** Terry Thomas, 2000 This book provides an account of the nature and extent of sex crime and offending in Britain with an overview of the policies and legislative actions taken to prevent this and a look at possible future policy directions Pornography and Sexual Representation Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and Sexual Violence in Connecticut Connecticut. Governor's Task Force on Sexual sexual representation in America Sexed Crime in the News Adrian Howe,1998 What is sex crime and how is it reported in the news The Violence, 1993 media treat cases of sexual assault followed by murder as sex crimes but what does murder have to do with sex Is family violence sex crime What is the sex of sex crime and what is sexual about crimes of violence Are attacks on sexual minorities sex crimes What happens when sex crime is made to declare its sex and its gender This book challenges the self evidence and complacency of the idea of sex crime as it is reported in the print media Confronting media informed popular understandings of sex crime with sophisticated theoretical approaches to questions of sex and gender the contributors invite readers to rethink the relationship between sex and violent crime In the process they open up the idea of sexed crime to new interpretative possibilities Criminal Visions Paul Mason, 2003 Despite being an increasingly high profile subject few publications address media representations of law and order head on This book aims to meet this need by bringing together an important range of papers from leading researchers in the field addressing issues of fictional factual and hybrid representations of crime in the media Popular Culture, Crime, and Justice Frankie Y. Bailey, Donna C. Hale, 1997 Popular Culture Crime And Justice closely examines how the criminal justice system is presented in the mass media from a variety of perspectives and along the way helps us to sort out our own thinking about the validity of this information

News Culture Stuart Allan, 2004-09 News Culture discusses the changing forms practices and audiences of journalism It provides an historical consideration of the rise of objective reporting in the media and explores the presentation of the news and the cultural dynamics **The Times-picayune Index**, 2001 The Guardian Index, 2003 Trainman News, 1954
