Beth Linker

Sex In The Heartland:

Sex in the Heartland Beth L. BAILEY, 2009-06-30 Sex in the Heartland is the story of the sexual revolution in a small university town in the quintessential heartland state of Kansas Bypassing the oft told tales of radicals and revolutionaries on either coast Beth Bailey argues that the revolution was forged in towns and cities alike as ordinary people struggled over the boundaries of public and private sexual behavior in postwar America Bailey fundamentally challenges contemporary perceptions of the revolution as simply a triumph of free love and gay lib Rather she explores the long term and mainstream changes in American society beginning in the economic and social dislocations of World War II and the explosion of mass media and communication which aided and abetted the sexual upheaval of the 1960s Focusing on Lawrence Kansas we discover the intricacies and depth of a transformation that was nurtured at the grass roots Americans used the concept of revolution to make sense of social and sexual changes as they lived through them Everything from the birth control pill and counterculture to Civil Rights was conflated into the revolution an accessible but deceptive simplification too easy to both glorify and vilify Bailey untangles the radically different origins intentions and outcomes of these events to help us understand their roles and meanings for sex in contemporary America She argues that the sexual revolution challenged and partially overturned a system of sexual controls based on oppression inequality and exploitation and created new models of sex and gender relations that have shaped our society in powerful and positive ways Table of Contents Introduction Before the Revolution Sex and the Therapeutic Culture Responsible Sex Prescribing the Pill Revolutionary Intent Sex as a Weapon Sex and Liberation Remaking Sex Epilogue Abbreviations Notes Acknowledgments Index Reviews of this book A vivid reminder of just how national and chaotic the events we call the sixties really were Bailey s exploration of the sexual revolution offers a subtler sense of the underlying forces of that era which unified even while dividing a nation and ultimately the world Tom Engelhardt The Nation Reviews of this book Beth Bailey s applied research here is interesting imaginative and compassionate and the final treat is that Bailey is a very good writer Sex in the Heartland is simply a fascinating read I m sorry I can t call her up and congratulate her on this book in person This book is beautifully shaped carefully thought out a treasury of useful information Carolyn See Washington Post Reviews of this book One of the great strengths of this book is Bailey s ability to make local characters institutions and fights vital and compelling all the while keeping an eye on the broader issues at stake She gives us a vivid portrait of one university town in transition and a case study for U S social history A cast of local characters comes alive Virtually every chapter has surprising subtle turns in which Bailey s thesis of historical paradox and unintended consequences is amply demonstrated Maureen McLane Chicago Tribune Reviews of this book Published by the prestigious Harvard University Press the book suggests that out of the mainstream states such as Kansas actually were on the cutting edge of the nation s sexual revolution during the early 1960s Matt Moline Capital Journal Reviews of this book Bailey points out that those who claim the radical nature of the sexual revolution may be surprised by

just how deep seated and mainstream the origins of many of those revolutionary changes were Philip Godwin M D Journal World Reviews of this book Bailey examines the 20th century sexual revolution as it played out in the midwestern college town of Lawrence Kansas Bailey is especially perceptive on the ambivalent and conflicted relationship of both the feminist and gay rights movements to the sexual revolution She also has strong sections on the birth control pill and other moremundane but long lasting changes in American sexual culture A fascinating and impressive book K Blaser Choice

Slouch Beth Linker,2026-03-24 The strange and surprising history of the so called epidemic of bad posture in modern America from eugenics and posture pageants to today s promoters of paleo posture In 1995 a scandal erupted when the New York Times revealed that the Smithsonian possessed a century s worth of nude posture photos of college students In this riveting history Beth Linker tells why these photos were only a small part of the incredible story of twentieth century America s largely forgotten posture panic a decades long episode in which it was widely accepted as scientific fact that Americans were suffering from an epidemic of bad posture with potentially catastrophic health consequences Tracing the rise and fall of this socially manufactured epidemic Slouch also tells how this period continues to feed today s widespread anxieties about posture In the early twentieth century the eugenics movement and fears of disability gave slouching a new scientific relevance Bad posture came to be seen as an individual health threat an affront to conventional race hierarchies and a sign of American decline What followed were massive efforts to measure track and prevent slouching and later back pain campaigns that reached schools workplaces and beyond from the creation of the American Posture League to posture pageants The popularity of posture enhancing products such as girdles and lumbar supports exploded as did new fitness programs focused on postural muscles such as Pilates and modern yoga By 1970 student protests largely brought an end to school posture exams and photos but many efforts to fight bad posture continued despite a lack of scientific evidence A compelling history that mixes seriousness and humor Slouch is a unique and provocative account of the unexpected origins of our largely unquestioned ideas about bad posture Peace in the Mountains Tom Weyant,2023-08-18 Peace in the Mountains analyzes student activism at the University of Pittsburgh Ohio University and West Virginia University during the Vietnam War era Drawing from a wide variety of sources including memoirs periodicals archival manuscript collections and college newspapers such as The Pitt News author Thomas Weyant tracks the dynamics of a student led campus response to the war in real time and outside the purview of the national media Along the way he musters evidence for an emerging social and political conscience among the student bodies of northern Appalachia citing politics on campus visions of patriotism and dissent campus citizenship antiwar activism and draft resistance campus issues and civil rights as major sites of contention and exploration Through this regional chronicle of student activism during the Vietnam War era Weyant holds to one reoccurring and unifying theme citizenship His account shows that political activism and civic engagement were by no means reserved to students at elite colleges on the contrary Appalachian youth were giving voice to the most vexing questions of

local and national responsibility student and citizen identity and the role of the university in civil society Rich in primary source material from student op eds to administrative documents *Peace in the Mountains* draws a new map of student activism in the 1960s and early 1970s Weyant's study is a thoughtful and engaging addition to both Appalachian studies and the historiography of the Vietnam War era and is sure to appeal not only to specialists Appalachian scholars political historians political scientists and sociologists but to college students and general readers as well

American Evangelicals and the 1960s Axel R. Schäfer, 2013-08-23 In the late 1970s the New Christian Right emerged as a formidable political force boldly announcing itself as a unified movement representing the views of a moral majority But that movement did not spring fully formed from its predecessors American Evangelicals and the 1960s refutes the thesis that evangelical politics were a purely inflammatory backlash against the cultural and political upheaval of the decade Bringing together fresh research and innovative interpretations this book demonstrates that evangelicals actually participated in broader American developments during the long 1960s that the evangelical constituency was more diverse than often noted and that the notion of right wing evangelical politics as a backlash was a later creation serving the interests of both Republican conservative alliances and their critics Evangelicalism's involvement with rather than its reaction against the main social movements public policy initiatives and cultural transformations of the 1960s proved significant in its 1970s political ascendance Twelve essays that range thematically from the oil industry to prison ministry and from American counterculture to the Second Vatican Council depict modern evangelicalism both as a religious movement with its own internal dynamics and as one fully integrated into general American history

Seeing Nature Through Gender Virginia Scharff, 2003 Environmental history has traditionally told the story of Man and Nature Scholars have too frequently overlooked the ways in which their predominantly male subjects have themselves been shaped by gender *Seeing Nature through Gender* here reintroduces gender as a meaningful category of analysis for environmental history showing how women's actions desires and choices have shaped the world and seeing men as gendered actors as well In thirteen essays that show how gendered ideas have shaped the ways in which people have represented experienced and consumed their world Virginia Scharff and her coauthors explore interactions between gender and environment in history Ranging from colonial borderlands to transnational boundaries from mountaintop to marketplace they focus on historical representations of humans and nature on questions about consumption on environmental politics and on the complex reciprocal relations among human bodies and changing landscapes They also challenge the ecofeminist position by challenging the notion that men and women are essentially different creatures with biologically different destinies Each article shows how a person or group of people in history have understood nature in gendered terms and acted accordingly often with dire consequences for other people and organisms Here are considerations of the ways we study sexuality among birds of William Byrd's masking sexual encounters in his account of an eighteenth century expedition of how the ecology of fire in a changing built environment has reshaped

firefighters own gendered identities Some are playful as in a piece on the evolution of snow bunnies to shred betties Others are dead serious as in a chilling portrait of how endocrine disrupters are reinventing humans animals and water systems from the cellular level out Aiding and adding significantly to the enterprise of environmental history Seeing Nature through Gender bridges gender history and environmental history in unexpected ways to show us how the natural world can remake the gendered patterns we ve engraved on ourselves and on the planet *Book Review Digest* ,2002 The Nation ,1999-10

Whose America? Jonathan Zimmerman,2002-09-19 Zimmerman tells the dramatic story of conflict compromise and more conflict over the teaching of history and morality in 20th century America 1 table **Women Physicians and the Cultures of Medicine** Ellen S. More,Elizabeth Fee,Manon Parry,2009 This volume examines the wide ranging careers and diverse lives of American women physicians shedding light on their struggles for equality professional accomplishment and personal happiness over the past 150 years BOOK JACKET *American Book Publishing Record* R.R. Bowker Company,1978

Book Review Index Cumulation Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year *Lgbt, Encyclopedia of Lesbian, Gay, Bisexual, and Transgender History in America: Actors to gyms* Marc Stein,2004 Online version of the 3 vol work published by Gale providing a comprehensive survey of lesbian and gay history and culture in the United States *Journal of American Studies* ,2004 Annual Planning Information ... Lakeland-Winter Haven SMSA and Heartland Employment and Training Consortium ,1982 International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,1999 *Journal of Women's History* ,2000 Bibliography of Agriculture ,1990 *Annual Planning Information Report* ,1981 **Presentations of the 29th Annual SW/Texas Regional Meeting of the Popular Culture and American Culture Association** Gypsy Elaine Teague,2008-12-18 Gender is an often misunderstood subject area even within the discipline even to those who teach and write about it One of my presenters when she first approached me to present at the conference asked What does my paper really have to do with gender To me the answer was obvious everything has to do with gender Gender is everywhere from the cradle to the grave What color blanket are we given at birth What clothes are we laid out in at death We are bombarded with advertisements specifically targeted at our gender either male female or somewhere in between We are judged by our gender which is often synonymous with our sex although in many of the presentations through the years it is becoming evident that more and more people understand the difference Our clothing food entertainment and reading material are all tied to gender in one form or another Gender is like the air It is all around us

seldom thought of but always present In an area that spans literature politics sex religion and personal choices it is hard to get finite and clear cut delineations The contributors are the main focus here and I have just been the ringmaster of this incredible circus of ideas Without them this could never have gone to press and it is all our hopes that you enjoy the volume and take something away from it that you did not anticipate New Books on Women and Feminism ,2000

Reviewing **Sex In The Heartland**: Unlocking the Spellbinding Force of Linguistics

Sex In The Heartland Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sex In The Heartland has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex In The Heartland has opened up a world of possibilities. Downloading Sex In The Heartland provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex In The Heartland has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex In The Heartland. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex In The Heartland. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex In The Heartland, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sex In The Heartland has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sex In The Heartland Books

1. Where can I buy Sex In The Heartland books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sex In The Heartland book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sex In The Heartland books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sex In The Heartland audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sex In The Heartland books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
