Discovering Your Place in God's Story* Stuart Simpson,2013-09-12 Surveys indicate that most Christians feel disempowered Wrong dualistic thinking which separates the whole of life into spiritual and secular and creates a division within the Church between those in full time ministry and those who are not has robbed many believers of the joy of knowing their life can make a difference The purpose of this book is to help give every Christian believer the realization that they have a special God given role and place in the fulfillment of God s Story and the Great Commission Our life story fits into God s bigger story HIStory Our mission and purpose in life fits within his global mission and purpose God is calling us today towards the consummation of his story and his mission This task is not just for church workers or overseas missionaries Whatever your vocation in life you have a destiny to fulfill and a unique contribution to make With practical tools and study questions

**Citizens & Exiles: Christian Faithfulness in God's Two Kingdoms** Scott Aniol,2023-09-01 Christians have always wrestled with how they should respond to the cultures around them On the one hand we recognize the goodness of God s creation and his common grace upon all people On the other hand we recognize that people are sinful and that the world is hostile to God and to Christians So what are we to do As tensions rise between church and state some of the loudest voices articulating answers to the question do not match what Scripture commands for the church today Some

answers threatens to undermine the pilgrim character of New Testament Christianity and the spiritual mission given to the church of making disciples Others advocate for a more privatized faith in conflict with the more holistic emphasis of Scripture In this easy to read book Scott Aniol demonstrates that Scripture teaches contrary to both of these postures Aniol shows that the New Testament portrays Christians as citizens of the common kingdoms of this earth but they are ultimately exiles since they are more profoundly citizens of Christ's redemptive kingdom Understanding the biblical relationship between these two provides a very clear framework for preventing churches from losing their biblical mission while at the same time discipling Christians to actively engage in society around them What the Bible prescribes for Christians in this present age is Christian faithfulness in both realms of God's sovereign rule Scott Aniol PhD is Executive Vice President and Editor in chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary

**The Christian Job Hunter** Pamela J. Moran, 1984      **An Identity to Die For** PAUL MALLARD, 2020-02-20 Who am I and do I really matter This is a heartfelt cry today articulated in different ways often even among those who claim to be Christians Paul Mallard shows us what the Bible teaches us about our identity as human beings and more specifically as Christians We look at our relationship with God with the church with our family and in the workplace The starting point is the NT book of Ephesians which is far more relevant today than we might think The author brings us right into the heart of his family explaining how Abe his young grandson in spite of severe disability from birth was made by a loving and kind Creator with unique value and immeasurable dignity In fact our dignity as humans stems from the fact that God has created us in his image how amazing is that This is a book which will orientate and reassure us offering genuine confidence But it will also move our hearts to praise God for investing such value in human beings like us and for sending his Son Jesus so that we could have freedom from sin and enjoy the status of sons and daughters Preface 1 Who am I 2 Unbelievably blessed 3 Undeservedly rescued 4 Unimaginably transformed 5 Every barrier is down 6 Every person is needed 7 Everyone worships something 8 Against the flow 9 The home men and women 10 Fight for who you are 11 People of hope 12 More loved than you can imagine
