SERVING OLDER TEENS

Edited by **Sheila B. Anderson**

Serving Older Teens

**Laurie Schwab Zabin, Sarah C.
Hayward**

Serving Older Teens:

Serving Teen Parents Ellin Klor, Sarah Nordhausen, 2011-09-12 A comprehensive guide to working with teen parents and their children that provides practical program ideas for successful school and public library program development implementation and evaluation Teen parents and their children represent an underserved high need population in many communities Libraries have the potential to significantly influence the quality of life for teen parent families by providing free access to information and resources developing specific programs and serving as a safe public learning environment *Serving Teen Parents From Literacy to Life Skills* helps library staff support teen parents as their children's first teachers positively affecting two generations at once The authors explain how to successfully communicate with this group and build upon their competencies and strengths They offer best practices professional anecdotes and step by step direction on connecting with teen parents collaborating with community partners locating funding options and implementing successful programs This invaluable guide is the most comprehensive resource currently available that directly addresses the needs of librarians serving the teen parent demographic

Teen Programs with Punch Valerie Ott, 2006-06-30 Looking for some fresh program ideas for your teen patrons Want to change those bored expressions on teen faces to eager smiles This guide offers a stimulating selection of program ideas that will appeal to teens between the ages of 12 and 18 throughout the year Recognizing that there is no such thing as a typical teenager the programs represent a broad range of interests from arts and crafts workshops to educational programs to purely recreational activities from serious to serious fun Programs for all seasons include Goth Gathering Intolerance Forum Night at the Oscars Library Fear Factor Find Your Future and Cyber Safety Everything you need to get started is here from the nitty gritty details like supply lists and approximate costs to practical step by step instructions Collection connections and ideas for promotion enhance the guide And there are also suggestions for those times when time is short and money is tight A wonderful combination of inspiration and practicality and of start to finish guidance for successful teen programming Grades 6-12

The Teen-Centered Book Club Bonnie Kunzel, Constance Hardesty, 2006-03-30 Vibrant dynamic teen book clubs the kind teens eagerly anticipate and attend session after session are teen centered With innovative pragmatic ideas that will attract and retain teen readers this guide provides everything you need to run a successful teen centered book club Covering every step from planning and promoting to how to prompt discussion and keep it civilized this is a one stop source for the teen book club leader Dozens of reproducibles for teens include book lists ground rules and book based activities The book even has directions for evaluating your club and lists of resources for more information Whether you're starting a teen book club trying to revive a flagging program or wish to build on past success if you're involved in a teen book club this guide is a must What's the difference between a teen book club and an adult one Too often the answer is Not much Like so many programs for teens traditional book clubs tend to be scaled down versions of adult clubs If book selection taboo topics and logistical details are the most important things that set

your teen book club apart from an adult one you could be missing a huge opportunity Vibrant dynamic teen book clubs the kind teens eagerly anticipate and attend session after session are teen centered They re not merely by for and about teens but are grounded in the admittedly radical idea that the club is not primarily about library programming or even about books but is all about teens their interests and needs their social habits and styles their initiative Books are the medium and the club is the method to achieve the ultimate goal of developing teen readers and leaders Furthermore the teen centered book club has huge potential to further a whole range of library goals from bringing more teen patrons through the door to building community wide awareness and support for the library itself What sets this book apart from the typical book club guide is that it is the only guide that addresses the unique constraints of public and school libraries budgeting impact on the facility and the collection and potential attempts at censorship to name just a few It s also the only guide that takes a teen centered approach putting front and center the idea that as with so many other things book clubs for teens are not merely scaled back versions of adult clubs Whether you are starting a club attempting to revive a flagging program or building on past success this manual offers you innovative pragmatic ideas that will attract and retain teen readers Grades 6 12 Teen Book Clubs offers a fresh new approach for today s teen readers and clear instructions along with tips and ideas for building teen centered book clubs In 12 brief chapters the book covers the teen centered book club what it is and what it takes to make it work putting it together planning and putting the plan in action going public recruiting boosting visibility garnering support 15 cunningly creative types of teen book clubs using book club to develop teen leaders scads of book lists reproducibles and sample discussion prompters tweaking troubleshooting and tips for keeping it civilized evaluations beyond measure resources for more information Filled with practical checklists figures worksheets and reproducibles this is the guide that all teen book club leaders should have

Young Adults Deserve the Best Sarah Flowers, Young Adult Library Services Association, 2011 As high school enrollment continues to rise the need for effective librarianship serving young adults is greater than ever before *Young Adults Deserve the Best* Competencies for Librarians Serving Youth developed by Young Adult Library Services Association YALSA is a document outlining areas of focus for providing quality library service in collaboration with teenagers In this book Sarah Flowers identifies and expands on these competency areas This useful work includes Anecdotes and success stories from the field Guidelines which can be used to create evaluation instruments determine staffing needs and develop job descriptions Additional professional resources following each chapter that will help librarians turn theory into practice The first book to thoroughly expand on this important document *Young Adults Deserve the Best* is a key foundational tool not only for librarians but also for young adult specialists youth advocacy professionals and school administrators

Library and Information Science Michael F. Bemis, 2014-03-03 This unique annotated bibliography is a complete up to date guide to sources of information on library science covering recent books monographs periodicals and websites and selected works of historical importance In addition to compiling an invaluable list of sources

Bemis digs deeper examining the strengths and weaknesses of key works A boon to researchers and practitioners alike this bibliography Includes coverage of subjects as diverse and vital as the history of librarianship its development as a profession the ethics of information science cataloging reference work and library architecture Encompasses encyclopedias dictionaries directories photographic surveys statistical publications and numerous electronic sources all categorized by subject Offers appendixes detailing leading professional organizations and publishers of library and information science literature This comprehensive bibliography of English language resources on librarianship the only one of its kind will prove invaluable to scholars students and anyone working in the field

Serving Urban Teens Paula Brehm-Heeger,2008-03-30 They re socially conscious tech savvy street smart terrifically diverse and they re seemingly running rampant They re urban teens and they need access to your library for homework help for study and research to use the computers to socialize to browse the graphic novels to listen to music and for many other reasons By exploring current effective models for teen services as well as future possibilities this guide leads you to the necessary resources and tools for achieving success with this important population Learn about staffing solutions partnerships and programs overcoming challenges of physical spaces training tips and models technology and collections and service across library systems Filled with examples and anecdotes that illustrate the principles and generous lists for further reading this guide will help you improve your service not to just urban teens but to all teens

FoodReview ,2001

Serving Older Teens Sheila B. Anderson,2004 Experts explain why library service to older teens is so important and how librarians can enhance collections and services to accommodate and win over this important group In this lively and practical guide notable teen experts and practitioners explain why service to teens in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding older teen needs and creating a vital teen space to building and promoting a winning collection Brimming with valuable insights fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with older teens

Connecting with Reluctant Teen Readers Patrick Jones, Maureen L. Hartman, Patricia Taylor,2006 A practical guide to defining and attracting reluctant readers is divided into three parts Tips That Work Titles That Work and Tools That Work

Senior High Core Collection Raymond W. Barber, Patrice Bartell,2007 Features annotations for more than 6 200 works in the main volume 2007 and more than 2 400 new titles in three annual supplements published 2008 through 2010 New coverage of biographies art sports Islam the Middle East cultural diversity and other contemporary topics keeps your library s collection as current as today s headlines
