Serving The Master Devotional:

Serving Two Masters Elisabeth W. Sommer, 2021-12-14 The eighteenth century was a time of significant change in the perception of marriage and family relations the emphasis of reason over revelation and the spread of political consciousness The Unity of the Brethren known in America as Moravians experienced the resulting tensions firsthand as they organized their protective religious settlements in Germany A group of the Brethren who later settled in Salem North Carolina experienced the stresses of cultural and generational conflict when its younger members came to think of themselves as Americans The Moravians who first immigrated to America actively maintained their connections to those who remained in Europe and gave them the authority for deciding religious social and governmental issues But as the children born in Salem became acclimated to more freedoms particularly in the wake of the American Revolution a series of disputes intensified the problems of transatlantic governance While the group's leadership usually associated Enlightenment principles with rebellion and religious skepticism the younger Brethren were drawn to its message of individual autonomy and creative expression Elisabeth Sommer traces the impact of this generational and cultural change among Moravians on both sides of the Atlantic and examines the resulting debate over the definition of freedom and faith *Devotions on the Greek New Testament, Volume Two* Paul Norman Jackson, 2017-10-31 Devotions on the Greek New Testament Volume Two contains an entirely new set of 52 devotions written by over 25 of today's best biblical language scholars Contributors include Christopher Beetham Jeannine K Brown Peter H Davids David A DeSilva J Scott Duvall Nijay Gupta Frederick J Long David W Pao Anthony C Thiselton Cindy Long Westfall and many more The main point of each devotion in Devotions on the Greek New Testament Volume Two comes from a careful reading of the passage in the Greek New Testament not from an English translation The authors use a variety of exegetical approaches in their devotions including grammatical lexical rhetorical sociohistorical and linguistic and each devotion closes with a practical application or spiritual reflection Devotions on the Greek New Testament Volume Two contains a devotion on every book in the New Testament and can be used as a weekly devotional or as a supplemental resource throughout a semester or sequence of courses These devotions will inspire you to keep reading and meditating on the Scriptures and find new treasures from the biblical text X **Sri Caitanya-caritamṛta, Madhya-līla** His Divine Grace A. C. Bhaktivedānta Swami Prabhupada, Sri Chaitanya charitamṛta is the main work on the life and teachings of Sri Chaitanya Mahāprabhu the incarnation of Krishna who appeared in India five hundred years ago Lord Chaitanya introduced the chanting of the holy names of God as the prescribed method of God realization for our time He began what is today called the Hare Krishna movement since the movement's founder Srīla Prabhupada comes in the Chaitanya line of spiritual masters Lord Chaitanya transformed the face of India in four respects philosophically by encountering defeating and converting the greatest philosophers and thinkers of His day religiously by organizing the largest most widespread theistic movement in India's history socially by His strong challenges to the religious inequities of the caste system politically by His

organization of a massive civil disobedience movement in Bengal more than four centuries before Gandhi This English translation with commentary by His Divine Grace A C Bhaktivedanta Swami Prabhupada reveals his consummate Bengali and Sanskrit scholarship his intimate familiarity with the precepts of Sri Chaitanya and his pure devotion to God *The Yoga of the Perfect Masters: Part II: The Yoga of Light and Sound; Part III: The Grace of the Masters* R.K. Rajput,2017-02-21 The book is a historical glance at the varied yogic traditions that have evolved over the millennia juxtaposed with surat shabd yoga *Kalendar Notes.
