Setting the Pace Helen Jones Earley, James R. Walkinshaw, 1996 On a Global Mission: The Automobiles of General Motors International Volume 3 Louis F. Fourie, 2016-12-29 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America Daewoo Wuling and Baojun are other Asian brands covered in detail This volume concludes with recording the remarkable early success of Holden and its continued independence through to today Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations A brief history of Isuzu Subaru and Suzuki looks at the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be found in a single book Global and regional sales statistics are included GM executives and management from around the globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM

Storied Independent Automakers Charles K. Hyde, 2009-11-15 Auto historians and readers interested in business history will enjoy *Storied Independent Automakers* The Rotarian, 2000-02 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine *The Dodge Brothers* Charles K. Hyde, 2005-04-08 Biography of John and Horace Dodge and the history of their company At the start of the Ford Motor Company in 1903 the Dodge Brothers supplied nearly every car part needed by the up and coming auto giant After fifteen years of operating a successful automotive supplier company John and Horace Dodge again changed the face of the automotive market in 1914 by introducing their own car The Dodge Brothers automobile carried on their names even after their untimely deaths in 1920 which led to its sale in 1925 to New York bankers and subsequent purchase in 1928 by Walter Chrysler Hyde not only details the brothers lives and influence on automotive manufacturing and marketing trends in the early part of the twentieth century but also their civic contributions to Detroit their hiring of African Americans and women and their often anonymous charitable contributions to local organizations Despite their achievements and their critical role in the early success of Henry Ford John and Horace Dodge are usually overlooked in histories of the early automotive industry but Hyde has put them front and center again to appropriately credit their lasting legacy The Cars of Harley Earl David W Temple, 2016-05-16 At 6 foot 3 inches tall

Harley Earl was an imposing figure but his true stature lies in his towering talent for automotive design and styling. Over his 50 year career he created as well as collaborated on the most innovative bold technologically advanced cars made by General Motors. As a titan of American auto design the cars he helped create are still celebrated today. And as an enduring legacy he inspired a generation of engineers designers and stylists. Veteran automotive historian David W Temple has researched and unearthed the complete story of Harley Earl's cars his notable design achievements and many accolades. Working as a coachbuilder at his father's Earl Automotive Works in Hollywood California the young Earl learned his trade. After styling the 1927 LaSalle for GM president Alfred P Sloan Earl rose to prominence and ran the newly created department of Art and Color. Automobile design stagnated during the Depression and World War II but the number of his contributions to the automotive world in the 1950s is staggering. When the jet age hit he fully embraced aviation design and infused it into GM cars. The Buick Y Job and GM Le Sabre featured many firsts in automotive design and hardware. The Y Job's fender extensions trailing over the doors disappearing headlamps flush door handles a metal cover over the convertible top were a few innovations. When General Motors needed to show off its cars and technology Harley Earl designed cars were the stars of the Motorama show that toured the country from 1949 to 1961. He led the team that created the 1953 Corvette and this iconic American sports car is still going strong today. He was involved in the creation of the 1955 1957 Chevy Bel Air otherwise known as the Tri Five Chevy. Harley Earl's drive toward bold and innovative design spurred American car design during the mid twentieth century. His distinctive designs defined the 1950s finned cars and set American automotive design on the path it has followed into the modern era. With this in depth examination you learn the inside story of these remarkable cars and the man behind them. It's an essential addition to any automotive library.
