## **Settling Accounts Return Engagement:**

Return Engagement Harry Turtledove, 2004-08-03 Harry Turtledove handles his huge cast with admirable skill The insights into racial politics elevate this novel to a status above mere entertainment although it provides that aplenty Publishers Weekly It s 1941 and an alliance of peace holds in check the most powerful nations of the world but it is an uneasy peace Japan dominates the Pacific the Russian tsar rules Alaska and England under Winston Churchill chafes for a return to its former glory Behind this fa ade of world order America is a bomb waiting to explode Jake Featherston the megalomaniacal leader of the Confederate States of America is just the man to light the fuse Opposite him is Al Smith a Socialist U S president in the Philadelphia White House Smith is a living symbol of hope for a nation that has been through the hell of war and depression Featherston and his Freedom Party are determined to conquer their Northern neighbor at any cost After crushing a Negro rebellion in his own nation Featherston sends Confederate army planes to attack Philadelphia In the aftermath of the CSA blitzkrieg the war machine spins a vortex of destruction betrayal and fury that no one not even Jake Featherston himself can control Turtledove plays heady games with actual history scattering object lessons and bitter ironies along the way Return Engagement features strong complex characters against a sweeping alt historical background Kirkus Reviews Another absorbing installment of Turtledove s character centered alternate history saga Booklist **Settling**

**Accounts** Harry Turtledove, 2007 The undisputed master of alternate history brings the Settling Accounts series one of the greatest sagas ever to portray an America that almost was to a thunderous conclusion Videssos Cycle: Volume Two Harry Turtledove, 2013-04-16 The classic fantasy series from one of alternative history s stalwarts The New Yorker continues in the adventure of a lifetime Harry Turtledove s brilliant re imaginings of major world events have thrilled fans for decades but he first captured readers attention with the Videssos Cycle a unique blend of fantasy and speculative history In this two book volume a Roman legion thrown into another world fights its way through sorcery intrigue and epic conflict THE LEGION OF VIDESSIONS Since the legion was mysteriously transported to this magical realm Roman military tribune Marcus Aemilius Scaurus has valiantly served the rulers of the war torn city of Videssos However Fortune is a fickle goddess Returning in triumph after defeating a well entrenched army of rebel mercenaries Marcus is betrayed by a friend seized as a traitor and dragged before the Emperor Only one person may be able to save him the Emperor s niece But consorting with her could lead to exile or worse SWORDS OF THE LEGION As prisoner of the Emperor Marcus Scaurus is in a desperate situation He stands condemned for treason unless he can reclaim a rebel province from a fanatic usurper without the aid of his Romans Now with just one centurion by his side Marcus sets out to once again do the impossible Soon the fates conspire against the men driving them toward the torture chambers of an evil deathless wizard prince But an audacious last hope rallies behind them the soldiers of the legion are on the march Coup d'Etat Harry Turtledove, 2012-07-31 In 1941 a treaty between England and Germany unravels and so does a different World War II In Harry Turtledove s mesmerizing alternate history of

World War II the choices of men and fate have changed history Now it is the winter of 1941 As the Germans with England and France on their side slam deep into Russia Stalin s terrible machine fights for its life But the agreements of world leaders do not touch the hearts of soldiers The war between Germany and Russia is rocked by men with the courage to aim their guns in a new direction England is the first to be shaken Following the suspicious death of Winston Churchill with his staunch anti Nazi views a small cabal begins to imagine the unthinkable in a nation long famous for respecting the rule of law With civil liberties hanging by a thread a conspiracy forms against the powers that be What will this daring plan mean for the European war as a whole Meanwhile in America a woman who has met Hitler face to face urges her countrymen to wake up to his evil For the time being the United States is fighting only Japan and the war is not going as well as Washington would like Can Roosevelt keep his grip on the country s imagination Coup d Etat captures how war makes for the strangest of bedfellows A freethinking Frenchman fights side by side with racist Nazis A Czech finds himself on the dusty front lines of the Spanish Civil War gunning for Germany s Nationalist allies A German bomber pilot courts a half Polish half Jewish beauty in Bialystock And the Jews in Germany though trapped under Hitler s fist are as yet protected by his fear of looking bad before the world and by an outspoken Catholic bishop With his spectacular command of character coincidence and military and political strategies Harry Turtledove continues a passionate unmatched saga of a World War II composed of different enemies different allies and hurtling toward a horrific moment For a diabolical new weapon is about to be unleashed not by the United States but by Japan in a tactic that will shock the world BONUS This edition includes an excerpt from Harry Turtledove s The War That Came Early Two Fronts Praise for Coup d Etat Turtledove s masterful presentation of an alternate WWII reaches its fourth volume with its quality undiminished A tribute to his commanding skills Booklist starred review For lovers of alternative history and particularly the very popular Turtledove with his appealing weaponry battle tactics and setting details this story will satisfy It sets out to entertain and that it does Historical Novels Review The book s grand scope and Turtledove s impressive historical knowledge are admirable Kirkus Reviews

**Last Orders (The War That Came Early, Book Six)** Harry Turtledove, 2014-07-15 History is changed by one small act In an extraordinary saga of nations locked in war master storyteller Harry Turtledove examines a very different World War II one which erupts eleven months earlier and over Czechoslovakia rather than Poland Now comes the final installment in this landmark series Hitler s Plan A was to win in a hurry striking hard and deep into France There was no Plan B Now the war grinds on Countries have been forced into strange alliances The Nazis fortify thin lines with Hungarian and Romanian troops England finding its footing after the suspicious death of Winston Churchill and a coup d tat fights back in Europe and on the seas of the North Atlantic Jews fight on both sides of the war in secret in German uniform openly in Spain France and Russia Into the standoff come new killing tools from tanks to bazookas In the Pacific Japan prepares bombs filled with macabre biological concoctions to be dropped on Hawaii For the U S the only enemy is Japan as there has been no casus belli for America in Europe Then Hitler

becomes desperate and declares war on the United States But is it too late His own people are rising up in revolt The German military may have to put down the violence even perhaps bomb its own cities In this epic drama real men and women are shaped by the carnage and their individual acts in turn shape history Drawing on the gritty personal reality of war and on a cast of unforgettable characters Harry Turtledove has written an alternate history that intrigues fascinates and astounds Praise for Last Orders From our perspective seventy years later we re accustomed to thinking of WWII s outcome as being inevitable Not so says Harry Turtledove Disdaining broad brush strokes Turtledove s focus on the characters serves to fill out the big picture with patient nitty gritty detail It s all quite plausible Armchair warriors will have much to ponder Kirkus Reviews Praise for Harry Turtledove If you like alternate histories you re going to like this series a lot The San Diego Union Tribune Turtledove is the standard bearer for alternate history USA Today Coup d Etat This is what alternative history is all about Historical Novel Society The Big Switch The Hugo Award winner continues to delight in exploring the world of what if Library Journal West and East There s plenty to satisfy fans of military strategy tactics and armaments Publishers Weekly Hitler s War Turtledove is always good but this return to World War II is genuinely brilliant The characterizations in particular bring the book to extraordinary life Booklist

**The Tale of Krispos** Harry Turtledove,2007-10-30 The dazzling story of a boy who rises from poverty and hardship to become the greatest leader his world has ever known KRISPOS RISING Born a ragged peasant Krispos lives on the family farm until crushing taxes drove him from the land he calls home With only a single gold piece to his name a gift from a nomad chieftain who claimed it carried magic Krispos heads for the imperial capital Videssos and into a world of peril and possibility KRISPOS OF VIDESSIONS Krispos reign as emperor of Videssos shows every sign of being brief and very bloody for trouble is brewing Civil war has erupted and as rebel troops take the field against the untried emperor outland raiders are sweeping down from the northlands in a tide of carnage How long can Krispos hope to keep head and crown together KRISPOS THE EMPEROR A strange heresy has taken root in the land and soon dissent flares into open revolt as Krispos faces his greatest challenge To save his empire from tearing itself apart he wages an evermore desperate war against an implacable foe setting brother against brother and father against son

*Hitler's War* Harry Turtledove,2009-08-04 A stroke of the pen and history is changed In 1938 British prime minister Neville Chamberlain determined to avoid war signed the Munich Accord ceding part of Czechoslovakia to Hitler But the following spring Hitler snatched the rest of that country and England after a fatal act of appeasement was fighting a war for which it was not prepared Now in this thrilling alternate history another scenario is played out What if Chamberlain had not signed the accord In this action packed chronicle of the war that might have been Harry Turtledove uses dozens of points of view to tell the story from American marines serving in Japanese occupied China and ragtag volunteers fighting in the Abraham Lincoln Battalion in Spain to an American woman desperately trying to escape Nazi occupied territory and witnessing the war from within the belly of the beast A tale of powerful leaders and ordinary people at once brilliantly

imaginative and hugely entertaining Hitler's War captures the beginning of a very different World War II with a very different fate for our world today **BONUS** This edition contains an excerpt from Harry Turtledove's The War that Came Early West and East **Alpha and Omega** Harry Turtledove, 2019-07-02 New York Times bestselling author Harry Turtledove

reveals a new side of his potent imagination in a gripping speculative novel about the End of Days and a discovery in the Middle East that turns the world upside down What would happen if the ancient prophecy of the End of Days came true It is certainly the last thing Eric Katz a secular archaeologist from Los Angeles expects during what should be a routine dig in Jerusalem But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America a dirty bomb is detonated in downtown Tel Aviv and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount There Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny But as to what that force desires well that is the question **Return Engagement** Harry Turtledove, 2004 **Settling**

**Accounts: Return Engagement** Harry Turtledove, 2014-05-08 Turtledove's alternate history of a century long American civil war continues continues The first book in the Settling Accounts sequence tells the story of an utterly different World War II It is 1939 and the world is overshadowed by the thunder clouds of war once again In this alternate world the US prepares for war while across the Pacific Japan is ready to fight again Once again brother fights brother friend against friend and the New World is ravaged by all the horrors of modern warfare This is the first book in a new series on the first global conflict by the modern day master of alternate history Epic exciting and incredibly powerful it deals with relatively recent past so cleverly This is World War II as it might have been *The Publishers Weekly*, 2005 *The Writers Directory*, 2013
