Seven A M Practice Stories Of Family Life:

Original Highways Roy MacGregor, 2017-11-14 Expanding on his landmark Globe and Mail series in which he documented his travels down sixteen of Canada's great rivers Roy MacGregor tells the story of our country through the stories of its original highways and how they sustain our spirit identity and economy past present and future No country is more blessed with fresh water than Canada From the mouth of the Fraser River in BC to the Bow in Alberta the Red in Manitoba the Gatineau the Saint John and the most historic of all Canada's rivers the St Lawrence our beloved chronicler of Canadian life Roy MacGregor has paddled sailed and traversed their lengths learned their stories and secrets and the tales of centuries lived on their rapids and riverbanks He raises lost tales like that of the Great Tax Revolt of the Gatineau River and reconsiders histories like that of the Irish would be settlers who died on Grosse Ile and the incredible resilience of settlers in the Red River Valley Along the Grand the Ottawa and others he meets the successful conservationists behind the resuscitation of polluted wetlands including Toronto's Don the most abused river in Canada In the Mackenzie River Valley he witnesses the Dehcho First Nation's effort to block a pipeline they worry endangers the region's lifeblood Long before our national railroad was built rivers held Canada together in these sixteen portraits filled with yesterday's adventures and tomorrow's promise MacGregor weaves together a story of Canada and its ongoing relationship with its most precious resource

The Seven A.M. Practice Roy MacGregor, 1996 Many Canadian parents are familiar with the painful tradition of the seven a m practice It is enacted weekly across the country hours before most sane people think of rising from their beds as long suffering mothers and fathers bundle sleepy children into the family car or minivan then drive their budding athletes to the arena the pool the field the gym Roy MacGregor knows the joys and frustrations of cheering on a sporting child He has in particular become known as an expert on the subject of fathers sons and the game of hockey where parent and child often find a rare opportunity to meet on common ground and forge a relationship mediated by their love of the sport But Roy MacGregor also has some first hand experience on the subject of fathers sons and ear piercing fathers daughters and the pre teen dance In the funny sometimes hair raising stories collected in *The Seven A M Practice* in which he describes life at home with his own four children Roy MacGregor brings his gently affectionate eye to the relationship of parent and child in every aspect of their lives With bemused good humour MacGregor charts the highs and lows of being a parent from the cherished time when he is the centre of his child's life to the sad day when it dawns on him that he is being gently nudged ever further to one side
