

Five Conditions of Prevailing Prayer

1—Entire dependence upon the merits and mediation of the Lord Jesus Christ, as the only ground of any claim for blessing.
(See John 14:13,14; 15:16, etc.)

2—Separation from all known sin. If we regard iniquity in our hearts, the Lord will not hear us, for it would be sanctioning sin.
(Ps. 66:18.)

3—Faith in God's word of promise as confirmed by His oath. Not to believe Him is to make Him both a liar and a perjurer. (Heb. 11:6; 6:13-20.)

4—Asking in accordance with His will. Our motives must be godly: we must not seek any gift of God to consume it upon our lusts (1 John 5:14; James 4:3.)

5—Importunity in supplication. There must be waiting on God and waiting for God, as the husbandman has long patience to wait for the harvest. (James 5:7; Luke 18:1-8.)

The Prosperity Gospel in Africa Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth
