AGAIN!* John Hohl,2014-10-16 How we understand and interpret prophecy ultimately determines how we interpret the rest of the Bible even how we understand God Unfortunately all the currently accepted outlines of how the end times are portrayed in the Bible contain contradictions The two major groups Amillennialism who reject the theory that Jesus Christ will have a literal thousand year long physical reign on the earth and Premillennialism who believe Jesus Christ will literally and physically return to the earth after taking the Christian believers up to heaven each have strong arguments While the Premillennial view appears to have the most validity it also has many contradictions mainly rooted in the assumption of a seven year yet future tribulation before the second coming The Donkey Speaks Again will help the reader finally understand Bible prophecies and the way the Bible lays them out for us Key Bible words and phrases are interpreted to allow the reader to overlap singular events depicted within the two separate visions of end times events given to Jews in the Old Testament and the Christians in the New Testament confidently as occurring together on the prophecy timeline When faced with these truths the reader will be forced to change the way they understand God the Bible and definitely some long held but never questioned beliefs **Subject Guide to Books in Print** ,1991 Pope Francis: The Last Pope?
