Seven Shifts:

World Christianity Graham Joseph Hill, 2024-10-08 World Christianity An Introduction provides an accessible introduction to the discipline methodology and field of world Christianity In this book Graham Joseph Hill engages with more than one hundred high profile Majority World and First Nations Christian leaders to learn what they can teach the West about mission leadership hospitality creation care education worship and more Hill challenges the Western church to move away from a Eurocentric and Americentric view of church and mission and he calls for the church to engage with crucial paradigm shifts in world Christianity The future of the global church including the churches in the West exists in these global exchanges World Christianity is an indispensable guide for the church as it navigates the unique global experiences of the twenty first century

Translation and Interpreting as Social Interaction Claire Y. Shih, Caiwen Wang, 2024-01-11 Adopting the tripartite theory of social psychology as its theoretical framework this book advocates that the three components of social interaction affect behaviour and cognition underpin the daily activities of translators and interpreters In particular it argues that the affect or emotion of translators and interpreters should not be overlooked or treated as a separate entity but as a crucial link between their mental process cognition and physical process behaviour This central theme of the intertwining nature of the affect behaviour and cognition of translators and interpreters is examined theoretically empirically and methodologically with contributions from around the world featuring literary translation translator training and interpreters practice It is a timely contribution to the field of Translation Process Research where affect is increasingly recognised as playing a key role in translation and interpreting phenomena

Life-Changing Conversations: 7 Strategies to Help You Talk About What Matters Most Sarah Rozenhuler Author, 2013-01-01 If getting the most out of life is important to you you must read Life changing Conversations Eldon Taylor PhD FAPA radio personality and New York Times bestselling author of Choices and Illusions and Mind Programming This book explains why effective talk can be truly transformative and provides a practical guide to having the kinds of conversations that will turn your life around Expert psychologist and coach Sarah Rozenhuler provides the seven keys to success calling up your courage focusing on your intention creating positive space speaking your truth having a flexible style cultivating constructive controversy and obtaining closure Throughout the book you will find real life examples of problem situations including negotiating with difficult neighbours asking for a raise and ending a long term relationship The author shows through extended sample dialogue how in each case a difficult situation was worked through and a positive result achieved Improving our effectiveness at having good conversations is the single most important way to bring about positive change in our lives
