The Chicago of Fiction James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on Chicago centered fiction are available, they are of little use to scholars researching works written before the 1980s. In The Chicago of Fiction: A Resource Guide, James A. Kaser provides detailed synopses for more than 1,200 works of fiction significantly set in Chicago and published between 1852 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included. Now Read this Nancy Pearl, 1999 Offers an annotated listing of 1,000 acclaimed or award-winning novels, each with a plot summary, indication of suitability for a discussion group, list of subject headings, and recommendations for similar titles. **HOW TO ACQUIRE BOOKS LISTED IN CURRENT CONTENTS**, 1996 **The Antioch Review** John Donald Kingsley, 1997 **Current Contents** Institute for Scientific Information (Philadelphia), 1997 Forthcoming Books Rose Arny, 2002 **Book Review Index**, 1997 Every 3rd issue is a quarterly cumulation. **The Publishers Weekly**, 1996 *Book Review Digest*, 1998 **My First Love Affair and Other Stories** Sholem Aleichem, Curt Leviant, Arthur Zaidenberg, 2002-01-01 20 selections all lovingly translated from the Yiddish, include among others: *Progress in Kasrilevke*, *Summer Romances*, *Birth There's No Dead Three Widows*, *Homesick On America*, and *A Home Away from Home*. *The American Humanities Index* Stephen H.
