## Seven Gifts Of The Holy Spirit:

**Seven Gifts of the Holy Spirit** Kevin Vost, 2016-12-15 Many of us fail to recognize that obtaining the seven gifts of the Holy Spirit is absolutely essential to getting to heaven We often block their reception through our own faults We fail to see how they are passed on or strengthened in the sacraments And sadly we forget to petition God in prayer to bestow these gifts upon us In these pages Dr Kevin Vost best selling author of *The One Minute Aquinas* provides us with a substantive yet readable introduction to the seven gifts and how we can humbly submit our wills to the stirrings of the Holy Spirit As Dr Vost explains these God given gifts help us to conform our lives to His image intellect and will They prevent us from being drawn into frustration and possibly self destruction by following our own sensual appetites Indeed the gifts of the Holy Spirit are the only path to being fully happy on earth and in the life to come With St Thomas Aquinas and St Bonaventure as his guides Dr Vost introduces you to the special charism of the Holy Spirit before explaining each gift one by one You ll discover the special meaning behind each of the natural and theological virtues and you ll learn the indispensable link between the seven gifts and the Beatitudes You ll also learn How the seven gifts differ from the fruits of the Holy Spirit The three ways to perfect fear of the Lord The one sacrament that helps you fortify fortitude it s not the one you think How the gift of knowledge differs from the gift of understanding The seven steps to unwrapping and sharing each of the Holy Spirit s gifts The greatest of the seven gifts and why you must possess it to attain heaven Are the seven gifts habits we must develop or does the Holy Spirit instill the habits in us Don t let another year go by without unwrapping and enjoying the gifts of the Holy Spirit Read this book and then accept the seven gifts the Holy Spirit so desperately wants to give you

**Collations on the Seven Gifts of the Holy Spirit** Saint Bonaventure (Cardinal), Robert J. Karris, 2008 This is the first English translation of St Bonaventure s *Collationes de septem donis Spiritus Sanctus* to appear in print The *Collationes* were the next to last of the Seraphic Doctor s major writings dating to 1268 This translation is similarly a crowning achievement for Fr Zachary Hayes a pre eminent commentator on Bonaventure s thought for the last four decades Scholars of medieval theology and of Bonaventure in particular will find a treasure trove here thanks to the flowing translation of Fr Hayes Ample footnotes citing ancient philosophers biblical texts ancient Christian writers and contemporary scholars provide a rich resource for further study Those interested in the contemporary question of how faith relates to reason will especially welcome the final two conferences or collations on understanding and wisdom in which Bonaventure wrestles with that same issue in the framework of this thought and times Gil Ostdiek O F M Catholic Theological Union
