What Is the Antichrist-Islam Connection? Roland L. Back, Michael Back, 2006-11-26 A scholarly study of the symbols in Daniel and Revelation specifically addressing what role the religion of Islam will play in the rise of the Antichrist **A Testimony of Jesus Christ - Volume 2** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides The Official Post office directory of New South Wales ,1867
