

When I tire of earthly things
I left unfurl my feathered wings
And take to the azure skies above
To fly with the Seven Birds of Love

Eros flits impulsively
His lustful eyes are blind to see
That fleshly opportunity
Does not last all eternity

Philia matches my own flight
Soaring at a similar height
In altruistic amity
On wings of bound fraternity

Storge echoes the parents call
She'll swoop to catch me when I fall
She is the love we're all born into
And many spend their lives a-cling to

Agape spreads a winged embrace
Including every creed and race
All human hearts held in summation
An empathetic murmuration

Ludus dips and flips with joy
The youthful play of girl and boy
And though it may not last forever
It's not a love we wisely sever

Pragma's wings beat without pause
A loving flight for higher cause
It needs a dose of self surrender
That doesn't mean it isn't tender

Philautia flies from deep inside me
Without self-love no one abides me
But she's a bird whose wings need clipping
Or my qualities she'll be out stripping

When grounded life it grinds me down
I don't just fret and wear a frown
I look to the moon and stars above
And fly with the Seven Birds of Love

Goodbye, My Princess Fei Wo Si Cun, 2025-06-17 The only thing more dangerous than a king is his heir in this first English translation of the romantic tragedy that inspired the popular TV series from one of China's best known authors of heartbreak perfect for readers of *Captive Prince* and *Grandmaster of Demonic Cultivation* There is no room for love in an empire Qu Xiaofeng has been living in Shangjing for three years now A naive happy go lucky treaty bride from the desert kingdom of Xiliang she has everything she could ever want as the crown princess of the Li Empire everything except the crown prince's heart Because Li Chengyin is a heartless boy Cruel jealous and ruthless he has given his adolescence to the cutthroat contention for the throne and now that he is the heir presumptive largely ignores his bride in favor of the girl he seems to really love Xiaofeng doesn't mind much It leaves her more time to sneak out of the manor to go drinking and riding in the streets living just the way she wants to But one day another boy shows up claiming to be a sweetheart from a life she can't remember having lived As Xiaofeng puzzles out the tangled threads of her past and her complicated feelings about the enigmatic distant husband she loves and hates in equal measure what she doesn't realize is that she's setting a course straight to tragedy Because the only place more dangerous than the palace is the crown prince's court the only thing harder to be than a king is his heir and the path to the throne is paved with blood Power will always have its price the only question is if Xiaofeng will survive long enough to pay
