Meaning of Whitemen Ira Bashkow,2017-02-15 A familiar cultural presence for people the world over the whiteman has
come to personify the legacy of colonialism the face of Western modernity and the force of globalization Focusing on the
cultural meanings of whitemen in the Orokaiva society of Papua New Guinea this book provides a fresh approach to
understanding how race is symbolically constructed and why racial stereotypes endure in the face of counterevidence While
Papua New Guinea s resident white population has been severely reduced due to postcolonial white flight the whiteman
remains a significant racial and cultural other here not only as an archetype of power and wealth in the modern arena but
also as a foil for people s evaluations of themselves within vernacular frames of meaning As Ira Bashkow explains ideas of
self versus other need not always be anti humanistic or deprecatory but can be a creative and potentially constructive part of
all cultures A brilliant analysis of whiteness and race in a non Western society The Meaning of Whitemen turns traditional
