Sex After the Sexual Revolution Helen Colton, 1972 Ms Colton's book is dedicated to the proposition that we are not yet human beings we are only human becoming. The sexual revolution has suddenly confronted us with new knowledge and a new honesty. No longer can sex education consist of a few embarrassed lectures for the awakening adolescent. We must all become both learners and teachers about the meaning of sex at every stage of life. Among the questions Helen Colton helps the reader explore with honesty and courage are the meaning of sexual maturity the cost of being sexually irresponsible group sex and mate swapping how to talk sex with your children sex problems of the single parent the sensory human of the future. This is a challenging book Ms Colton finds gains in the sexual revolution and she does not hesitate to say so. It is also a rewarding book for the author believes that sexual freedom like all freedoms must enhance rather than demean our essential humanity. In these pages the reader will explore the complexities of sex after the sexual revolution under the guidance of a gifted articulate and experienced counselor in problems of sex and family living. Sex after Fascism Dagmar Herzog, 2007-01-22 What is the relationship between sexual and other kinds of politics? Few societies have posed this puzzle as urgently or as disturbingly as Nazi Germany. What exactly were Nazism's sexual politics? Were they repressive for everyone or were some individuals and groups given sexual license while others were persecuted, tormented and killed? How do we make sense of the evolution of postwar interpretations of Nazism's sexual politics? What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was sex hostile? In response to these and other questions *Sex after Fascism* fundamentally reconceives central topics in twentieth century German history. Among other things it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism the role of Christianity in the consolidation of postfascist conservatism in the West the countercultural rebellions of the 1960s 1970s as well as the negotiations between government and citizenry under East German communism. Beginning with a new interpretation of the Third Reich's sexual politics and ending with the revisions of Germany's past facilitated by communism's collapse *Sex after Fascism* examines the intimately intertwined histories of capitalism and communism pleasure and state policies religious renewal and secularizing trends. A history of sexual attitudes and practices in twentieth century Germany investigating such issues as contraception pornography and theories of sexual orientation. *Sex after Fascism* also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust. *Liebe, Sex & Sozialismus* Josie McLellan, 2019-06-21 *Liebe Sex Sozialismus* ist eine faszinierende Auseinandersetzung mit der stillen sexuellen Revolution in der DDR und ihren Grenzen. Auf packende und unterhaltsame Weise zeigt Josie McLellan dass im Sozialismus die Scheidungsraten Rekordwerte erzielten. Abtreibung eine Normalität wurde und die Rate der außerehelichen Geburten zu den höchsten in ganz Europa zählte. FKK entwickelte sich vom verbannten Ausseiterhobby zum staatlich geförderten Boom und Erotika wurden zu einer beliebten

Tauschware sowohl in der offiziellen Konomie als auch auf dem Schwarzmarkt Die öffentliche Diskussion über Sexualität wurde dennoch strikt kontrolliert und es gab nur eingeschränkte Möglichkeiten Grenzen traditioneller Geschlechterrollen oder Sexualnormen zu überschreiten Das vorliegende Buch über die schärfste Nebensache der DDR Welt stellt eine herausragende Studie dar und leistet einen wegweisenden Beitrag zum Verständnis des emotionalen Alltagslebens in der DDR Es hinterfragt liebgeordnete Überzeugungen hinsichtlich der Beziehung zwischen Sexualität Politik und Gesellschaft und veranschaulicht dass die Einwohner der DDR trotz Repressionen über ein großes Maß an persönlicher Freiheit und Autonomie im sexuellen Bereich verfügten

book back cover **Sex, Love, and Marriage in the 21st Century** Robert T. Francoeur, Martha Cornog, Timothy Perper, 1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world *The Cumulative Book Index* ,1973 A world list of books in the English language
