Tantrism: Sex Magick for the Soul Joseph Leal, 2018-05-29 Modern spirituality and new age information is filled with distortions misconceptions and is leading humanity astray from our individual ascension The power and connection to the soul has never been so limited and continues to create a world that is predominately living in their minds We all have the power to become magical We all have the power to live out our dreams and find a true soulmate Working with sexual energy in tantric relationships is required to have an energetic impact on the non physical astral planes to create astrally a future we wish to create rather than face the destiny that the matrix or time has in store for us We entered this world choosing our character knowing how our life would begin and how it will end Ascension means creating our future astrally before we experience our fixed destiny This is what magic and our lesson as humans is all about

Creating Earthaven in Your Life Profound Transformation of Your Soul David H. Fastiggi, 2014-05-17 Creating Earthaven in Your Life is unique and it is innate in all human beings Humanitys quest for a wholesome peaceful life goes unabated Our search for our better self that identifies with the reality of the world we live in all too often filled with grief and stress is juxtaposed with faith and hope for change or a miracle Do we just have faith expecting God will deliver humanity from the ills we have caused Should we just buckle down and be practical seeking solution with our rational self What kind of God do we actually know or are we seeking a relationship with an image of God taught to us What is the divine matrix and does a personal God speak to us Science stands for one view of creation and faith stands for another Is there a joining point of the two Has our species Homo sapiens stalled out in evolutionary development Is the world becoming a village of cooperation and mutual peace seeking Can we continue the way we have been and survive our own arrogance What is the future of faith religion and spirituality The author in a comprehensive way takes us on a journey to explore answers to these questions and much more Earthaven is a paradigm of integration between the souls development and our biological body and by extension all creation He delves into scientific reality while preserving in the beginning God created Creating Earthaven in Your life is a deep exploratory of the souls life in the experience of hurt and suffering and the potential for there to be personal divine human

embodiment and therefore earth peace Through ten fundamental teaching combining Jesus words of two thousand years ago an Aramaic understanding the authors revelatory experience in an apparition of Jesus his 44 years life experience psychology and science your reading and learning experience will be a challenge and liberation of the soul Profound transformation is needed and this codex offers the leverage needed to shift our life course towards personal awakening and transformation as well as providing a blue print for future generations Creating Eartheaven in Your Life brings us into universal principles of life a meeting for humanity without walls This volume of two addresses specifically transformation of the soul heaven unfolding Volume two addresses transformation of the body representing the earth and thus eartheaven Granted this book is not an easy read but proves to be a strong mirror reflecting back to us our lives and what we can become fulfilling humanity's evolutionary life potential and perhaps vital to our survival as a people

Dark Nights Of The Soul Thomas Moore, 2011-10-06 A dark night of the soul is not a psychological syndrome but a quest for meaning during life's darkest hours: the loss of a loved one, the end of a relationship, ageing and illness, career disappointments or just an ongoing dissatisfaction with life. Thomas Moore's extensive experience as a psychologist and theologian has taught him that the dark night is a challenge to restore ourselves and to become someone of substance, depth and soul. By using these trying times as an opportunity to reflect and delve into the soul's deepest needs, we can find a new understanding of life's meaning. *Dark Nights of the Soul* has its roots in a favourite chapter in Thomas Moore's million-copy bestseller *Care of the Soul*. In this beautifully written and thought-provoking work, he explores our contemporary anxieties and insecurities and shows how these metaphoric dark nights can become transforming rites of passage. *Dare Your Soul's Free Will* Tommaso Grieco, 2020-01-09 This book dares you, the reader, to understand how from conception you entered this world, how to live it, and the three destinations that are possible when you leave it. **The Ante-Nicene Fathers** Alexander Roberts, Sir James Donaldson, Arthur Cleveland Coxe, Allan Menzie, 1899 **Sex in My Confessional** Eric Von Rinkel, 1982 *The Writings of Quintus Septimius Florens Tertullianus*, 1870 **Sex and Sex Worship in the World** Otto Augustus Wall, 1979 **Ante-Nicene Christian Library: The writings of Tertullian, v. 2 (1870)** Sir James Donaldson, 1870 **The Complete Poetic and Dramatic Works of Robert Browning** Robert Browning, 1895 The Complete Works of Robert Burns Robert Burns, 1872 *The Writings of Quintus Sept.
