Based on the Focus on the Family video this book presents true stories of unwanted pregnancies STDs and AIDS along with statements from athletes and celebrities who present today's teens with a powerful case for abstinence **Sex, Lies & ...The Truth** Focus on the Family Films, 1993 **Sex, Lies & the Truth** Paul H. Murphy, 1993 An entertaining and powerful 30 minute video revealing the hard truths about sex in the 90s Family Matters Hilde Løvdal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book *Dare to Discipline* in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s Family Matters James Dobson and Focus on the Family's *Crusade for the Christian Home* by Hilde Løvdal Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched Løvdal Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson's reign Løvdal Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family Sexual Truths Versus Sexual Lies, Misconceptions, and Exaggerations William Josephus Robinson, 1919 **Sex, Lies, and the Truth** Linda L. Belleville, 2010-09-23 We are in the midst of a rapidly changing sexual scene Casual sex between consenting adults scarcely gets a second look marriage is increasingly viewed as an at will contract attitudes toward same sex relationships have done an about face and the family has been redefined in ways that challenge how we effectively minister to those inside and the church If we as believers value our call to be the salt and light of society then we must begin to think biblically and

strategically about how to engage our sexually volatile culture Sex Lies and the Truth aims to help Christians in all walks of life do just that It addresses the question of how to develop a Christian ethic in an increasingly post Christian society by becoming biblically informed and culturally conversant with a topic that promises to be one of the foremost challenges the church will face in the coming years **The Bedtrick** Wendy Doniger,2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover **Relationships** Eric T. Selby,2006-10-01 The book Relationships Sex Lies and the Truth delves into the secrets of hidden relationships It seeks to expose the reality of most relationships that they stink are only formed for selfish reasons My book aims at not only exposing but also correcting offering advice on forming lasting useful relationships It is not a treatise in the subject but an expose on various aspects of relationships with a view to clarify what has long been denied and swept under the carpet of life That carpet is pulled out and sent to the cleaners for a new look relationship without hypocrisy To some the book may seem harsh in certain areas but to get a correct diagnosis of your illness you have to get to the root and this can only be done by telling your doctor the truth of the pain and symptoms It is then that healing is possible **The Philosophy of Steven Soderbergh** R.
