Sex May Be Wasted on the Young Lee Stones, Stones, M. J. (Michael J.), 1996 Sex May be Wasted on the Young :
for Boomers and Beyond Lee Stones, Stones, M. J. (Michael J.), 1992 *Encyclopedia of Sex and Gender* Carol R.
Ember, Melvin Ember, 2003-12-31 The central aim of this encyclopedia is to give the reader a comparative perspective on
issues involving conceptions of gender gender differences gender roles relationships between the genders and sexuality The
encyclopedia is divided into two volumes Topics and Cultures The combination of topical overviews and varying cultural
portraits is what makes this encyclopedia a unique reference work for students researchers and teachers interested in
gender studies and cross cultural variation in sex and gender It deserves a place in the library of every university and every

Shaming of Sexual Offenders Anne-Marie McAlinden, 2007-04-05 Winner of the 2008 British Society of Criminology Book
Prize Sex offenders particularly those who offend against children feature prominently in contemporary law and order
debates Child sexual abuse is a small component of the broader category of gendered and sexualised violence which causes
significant trauma for victims yet continues to evade conventional approaches to justice This is evidenced not only by the low
number of prosecutions due mostly to low levels of reporting and evidential difficulties at trial but also by the failure of the
justice system to prevent re offending largely due to the limited availability and effectiveness of prison treatment
programmes Following Braithwaite s dichotomy of reintegrative and disintegrative shaming this book argues that
contemporary popular and state led responses to the risk posed by sex offenders are largely disintegrative in nature At best
the offender may be labelled stigmatised and ostracised from the community while at worst he may be subjected to violence
and vigilante action and ultimately return to offending behaviour The failure of these retributive responses means there is
considerable scope for exploring alternative forms of justice and their potential for improving the outcome for victims
offenders and communities affected by sexual offences This book examines the controversy of whether restorative justice can
be applied to child sexual abuse as one of the most intractable of contemporary societal problems and if so what special
considerations might apply Although restorative schemes with sex offenders are in short supply a few initiatives have
developed in Canada and parts of the United States which have effected significant benefits in reintegrative shaming The
book examines whether such ad hoc schemes may be of general application with child sexual abuse and whether they may be
implemented on a more holistic basis **Nerve waste** Herbert Carleton Sawyer, 1888 ReFocus: The Films of Amy
