Sex Death The Angry Young Man:

Feminism and Men Steven Schacht, Doris Ewing, 1998-10 Too often feminism has been defined as a woman only arena or in competitive terms of male versus female privilege rather than a cooperative effort to improve the quality of life for everyone Contributors to FEMINISM AND MEN argue that the feminist movement should no longer view with suspicion those men who have proved themselves sympathetic to issues of gender equity

Journeys in Complexity Alfonso Montuori, 2016-01-22 In this book fascinating autobiographical accounts by leading scholars in a variety of fields and disciplines provide a rich introduction to the art and science of complexity and systems thinking We learn how the authors interest in complexity thinking developed the key figures and texts they encountered along the way the experiences that shaped their path their major works and their personal journeys This volume serves as an introduction to complexity as well as a vivid account of the personal and intellectual development of important scholars This book was originally published as a special issue of World Futures

Hangman Starman Bruce Rimell, 2022-10-05 CW Suicidal ideation self harm sex death psychodynamics but the journey moves from such darkness into radiant transformative light and the glints on waves are not glints on waves but stars In summer 2010 artist and poet Bruce Rimell fell into a self destructive spiral of suicidal ideation confused hyperactivity and dark dreams so unsettling and so persistent that they threatened to tear his life apart The most prominent recurring nightmare was one in which he hanged himself and enjoyed it eager to end his life but at the last moment he would spit out letters so did not die Waking up terrified he felt himself coming undone desperately seeking answers but finding none When he began to enter into the image of this dream rather than study it rationally a new and unexpected transformative path opened up towards a more holistic Queer spiritual identity This in turn kickstarted the healing of his latent self destructive urges that arose from his internalised rage at centuries of homo queerphobic persecution Hangman Starman is a visionary voyage through the darkest realms of Bruce s gay queer psyche a brutally honest account of his time in the underworld and how he worked his dreams to burn his darkness through to the blazing light on the other side

Changing Men, 1991 A Critical Guide to Intellectual Property Mat Callahan, Jim Rogers, 2017-10-15 Ours is an era when human genes can be copied and patented From genetically modified foods to digital piracy the concept of intellectual property IP and the laws upholding it play a foundational role in our society but its political and ideological dimensions have rarely been understood outside of specialist circles This collection cuts through the legal jargon that so often surrounds IP to provide both a comprehensive history and analysis that explores the corporate interests that shape its conception and the movements that are developing alternatives As the nature of industry changes we might ask what are the wider implications of the concept of IP be it for agribusiness and pharmaceutical companies or the film and music industries Has IP law been used to safeguard and assert the ownership of ideas and creativity or is it an essential foundation of our culture Today with mounting challenges from the growth of free software and open source movements this collection

provides an accessible and alternative guide to IP exploring its significance within the wider struggle between capital and the commons
