Sex Education in Medicine Harold I. Lief, Arno Karlen, 1976-01-01 **The Transformation of American Sex Education** Ellen S. More, 2024-09-03 This book examines Americans attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century Using Mary Calderone s life and career as a touchstone it traces the origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as abstinence based and comprehensive sex education from the 1980s into the 21st century **Sex Education in Medicine ; Proceedings of ... The New Sex Education Herbert Arthur Otto, 1978 *Sex Education in the Eighties* Lorna Brown, 1981-11-30 The odd reader here in England odd means occasional may be interested in how a book comes about Members of the SIECUS Board of Directors were planning a Festschrift and dinner for Mary Calderone on the occasion of her 75th birthday One planning idea was to have a booklet filled with brief essays from prominent sex educators distributed between the roast beef and the ice cream My reaction was that such souvenirs find their burial place in the same dusty drawer as the program from the high school prom and ticket stubs from South Pacific I suggested a more lasting noticeable monument a proper as the English say book which would draw contributions from both SIECUS and non SIECUS scholars 1 was too clever to be trapped as editor in a 1974 preface I had written I swore I wouldn t edit another book And so I seduced Lorna Brown into being editor I contacted a few potential contributors suggested a few others convinced Leonard Pace at Plenum Press that this was a worthwhile venture and left the country To my amazement six months after settling in Cambridge England the rough draft of the book arrived along with a reminder from Lorna that during the seduction I had promised to write an Introduction The Sex Ed You Never Had Chantelle Otten, 2021-09-28 From award winning psychosexologist Chantelle Otten comes the well overdue inclusive and meticulous guide to all things sex bodies and relationships For too long talking about our anatomies and our experiences has been taboo Normal functions have been deemed embarrassing and even shameful impacting people s mental and physical health In this amazing and comprehensive guide filled with accurate facts and helpful illustrations Chantelle refuses to leave these conversations languishing on the fringes any longer From breaking myths about reproductive health to exploring ideas of consent The Sex Ed You Never Had will teach everyone something new about their body and the fun and pleasurable ways to use it **National Library of Medicine Audiovisuals Catalog** National Library of Medicine (U.S.), 1983 **Literature Search** National Library of Medicine (U.S.), 1974 *Sexual Medicine in Primary Care* William L.
