Sex Educationthe Final Plague:

Sex Education Randy Engel,1993-09 Proves why classroom sex education is always wrong and always harmful that it destroys modesty awakens the passions promotes sexual activity and fosters acceptance of sexual sins Shows where it comes from who promotes it that it is all pervasive Gives the Church s position that sex education is the right and duty of parents only which may be delegated to others but never usurped A must for parents teachers and priests Sexuality Education from an Islamic Perspective G. Hussein Rassool,Muhammad Aftab Khan,Shaikh Abdul Mabud,Muhammad Ahsan,2020-02-13 We live in an over sexualised culture where sex and sexuality have become part of the public domain This sexual revolution challenges Judeo Christian and Islamic norms and boundaries As such sexuality education is a sensitive and extremely important issue and its current implementation in schools has raised public concerns This book explores the subject contextualising it within the matrix of Islamic beliefs and practices Islam binds sexuality and sexual education to a moral grid with rights and obligations justice and equity There is a dominant discourse and stereotype around Islamic sexuality which presents sex and sexuality as the biggest taboo fraught with fear and seldom discussed This book dispels such myths and misconceptions providing an overview of sexuality education in the modern world and the need for such education **Talk about Sex** Janice M. Irvine,2004 Describes the political transformations cultural dynamics and affective rhetorics that together helped ignite the passionate conflicts over sex education on both the national and local levels in the United States

Shrage, Robert Scott Stewart, 2015-01-20 Ancient Greek philosophers medieval theologians Enlightenment thinkers and contemporary humanists alike have debated all aspects of human sexuality including its purpose permissibility normalcy and risks Philosophizing About Sex provides a philosophical guide to those longstanding and important debates Each chapter takes a general issue freedom privacy objectification etc and shows how ongoing public discussions of sexuality can be illuminated by careful philosophical investigation Debates over topics such as sexual assault sexual orientation sex education prostitution and sexting involve larger questions about morality law science and politics and cannot be intelligently discussed in isolation from broader issues By asking deceptively simple questions this book shows how difficult but important it is to arrive at satisfying answers

Villegas, 1997 **The War Against the Family** William Douglas Gairdner, 1992 Believing it is high time for someone to speak out in defense of the family William Gairdner the author of *The Trouble with Canada* has turned his attention to what he calls the civil war of values that is weakening the soul of the family in Canada Among his findings Traditional marriage is being demoted in our children's textbooks as only one choice among many types of family relationships Massive funding is given to radical lobby groups devoted to destroying the family while those supporting it go begging Sex education at one time the concern of families has become the property of sexologists and peer groups The mainline churches have abandoned souls for political causes and pagan theories The law and the courts of the land are decimating the traditional privileges of the family in the name of individual rights In writing that is vigorous and compelling Gairdner traces the war against the family to a political ideology springing from Plato Rousseau and a utopian liberalism that has become a caricature of itself everywhere promoting rights but forgetting duties Powered by this ideology the modern State eager for votes and hostile to freedom effectively weakens the family unit which it sees as a bastion of privacy privilege and authority In *The War Against the Family* Gairdner throws down the gauntlet forcing into the open a much needed debate about the future of the family in Western societies The family of today and future generations are sure to benefit Jacket flap Sex & Sexuality in Islam Muhammad Aftab Khan, 2006 *A New Rite* Steve Askin, 1994
