The Race of Sound Nina Sun Eidsheim, 2019-01-11 Examining singers Marian Anderson Billie Holiday and Jimmy Scott as well as vocal synthesis technology Nina Sun Eidsheim traces the ways in which the voice and its qualities are socially produced and how listeners assign a series of racialized and gendered set of assumptions to a singing voice *New Directions in Childhood Studies* James M. Curtis, 2024-01-04 New Directions in Childhood Studies Innocence Trauma and Agency in the Twenty first Century acknowledges that the conceptual frameworks for understanding the experience of childhood in the twentieth century are no longer adequate and offers important updates to the construct of American childhood The chapters in this collection examine contemporary children's literature film and video games to explore the ways in which everyday realities like trauma disaster and death impact the experience of childhood in America today In many ways the essays show the narratives blur traditional lines between children's and adult content taking children series as subjects while also guiding them through the processes of dealing with the particular challenges Collectively the essays develop a more contemporary construct of the American child and offer new insights into what that construction might mean for contemporary American society and culture *Creating Games* Morgan McGuire, Odest Chadwicke Jenkins, 2008-12-23 Creating Games offers a comprehensive overview of the technology content and mechanics of game design It emphasizes the broad view of a games team and teaches you enough about your teammates areas so that you can work effectively with them The authors have included many worksheets and exercises to help get your small indie team off the ground

The Glitches within the Human Race Stuart Miller, 2022-01-05 I provide a deep analytical and philosophical explanation of why certain cultural and social issues exist With each topic I discuss what it is give examples for each and break down each example providing more detail of just some of the possible reasons as to why people do them possible mentalities I also provide some of my own experiences and everything discussed in this book I have

personally witnessed and or have gone thru I included the following Situations based on personal experience and or witnessing them with some online research to support certain issues My perception perspective and mentality on various issues that affects everyone to some degree Quotes that further support certain chapter topics Philosophies analogies and comparisons to provide better contextual clarification on certain issues Detailed breakdown of the examples provided within each chapter Explanation of what it will take to help fix each of these issues Some of the many possible reasons why people behave the way they do and some of the possible motives intentions and life experiences from both sides person doing the behavior and the person receiving the treatment Solutions to all the topics that are discussed changes that we need to make with how we think and act towards others Furthermore I provide much thought provoking material to challenge the way we think and view society in ways you might not have considered I discuss many unhealthy mentalities and behaviors which is damaging to people on a much larger scale and it s having a much greater influence on others both directly and indirectly in ways that we do not even realize This book is something the whole world needs to read and here is why Providing solutions to some of the biggest cultural and social issues which have existed for far too long The way the world is with how we treat others is badly broken and some of the solutions are in this book which the world needs the solutions I provide We do the same or similar behaviors towards others expecting different results and this is not working at all We need to step outside our comfort zone by changing their behaviors in ways we re not used to doing to get something you ve never had you must first do something that you ve never done The world needs to be less close minded and use less tunnel vision the mind is like a parachute it can t work if it s not opened I see the world differently and the purpose of this book is to share different ways of looking at situations and the numerous possibilities to take into consideration I share my perception and perspective viewpoint mentality and some of my own philosophies I provide a more in depth perspective of looking at a variety of life situations and the possible reasons as to why people choose to treat others the way they do I think a lot of people might find this content in general interesting beneficial inspiring and or even life changing *Your Life In The Metaverse* Gideon Burrows,2022-01-31 Imagine a world where you pull on a headset and everything you need to do buy communicate and enjoy is online available and easy to access right there and then This is The Metaverse In October 2021 the founder of Facebook Mark Zuckerberg announced the platform would change its name to Meta reflecting a new direction for the company where almost every human function could be carried out online mostly through virtual reality experience Imagine a cross between Minecraft Fortnite Amazon and BitCoin That is The Metaverse Plug in to meet a partner To carry out a business meeting To learn at school and college To access your news and opinions To share ideas and hobbies To sell make money buy and lose money The Metaverse is likely to mark an enormous change in the lives of every person in the Western World in how we shop work learn earn and communicate But it is not without controversy questions about privacy data protection human rights online bullying In this easy to understand readable guide you will learn everything you need to know about the emerging
