Technology for Good Jim Fruchterman, 2025-09-02 A visionary guide to using technology for positive social change from a MacArthur genius awardee former rocket engineer and passionate leader in the social enterprise movement The accepted wisdom in big business is that the only worthy ideas are ones that make a lot of money preferably billions But Jim Fruchterman believes there is a different path for technology What if tech returned to its roots and made people more effective and powerful What if the benefits of technology came to the 90 percent of humanity traditionally neglected by for profit companies in favor of immense profits gained by focusing on the richest 10 percent In *Technology for Good* Fruchterman explores that question and delivers a comprehensive how to for leaders who want to create expand join support and improve organizations that see building technology as a key element of delivering on their social good mission The author makes a strong case that tech is required for social change at scale He then offers guidance on how to structure fund staff manage scale and sustain nonprofits that leverage technology for social good The book includes actionable proven practices compelling case studies of nonprofits that have cracked the code on tech for good and Fruchterman s own stories of what he has learned as a tech for good entrepreneur With 80 percent of the examples in the book from organizations and individuals outside the US *Technology for Good* is a call to action with a genuinely global focus blazing a path toward a future in which human beings come rightly and justly before profits

Becoming a Public Benefit Corporation Michael B. Dorff , J.D., 2023-11-21 There are now over 10 000 benefit corporations and public benefit corporations in the United States including at least fifteen public companies This is the authoritative guide for leaders advisors and board members Entrepreneurs and leaders often have an inspiring vision for how their business can not only make money for shareholders but also benefit society In recent years a new legal structure has emerged the Benefit Corporation or Public Benefit Corporation which helps organizations make this ethical vision a legally authorized and protected reality Companies like Patagonia Kickstarter Warby Parker Danone North America Allbirds and King Arthur Baking have become benefit corporations to help advance both their business and their broader mission Rather than narrowly maximizing profits they consider their businesses impacts on employees customers suppliers the environment and others The goal of benefit corporations like these is to foster a new more humane and sustainable capitalism by pursuing both profits and mission Benefit corporation status helps protect the company mission even when leadership changes and in the face of pressure from investors shareholders bankers and lenders *Becoming a Public Benefit Corporation* explains this exciting new type of corporation when it makes sense and how becoming a benefit corporation can help leaders and organizations balance the tradeoffs between profits and mission Law professor and corporate governance expert Michael B Dorff also covers the weaknesses of benefit corporations arguing that the enforcement mechanisms around benefit corporations are currently too weak to prevent purpose washing With examples from top companies the book shows mission driven leaders board members

and advisors how to use the benefit corporation structure to make the world a better place The Glitches within the Human Race Stuart Miller, 2022-01-05 I provide a deep analytical and philosophical explanation of why certain cultural and social issues exist With each topic I discuss what it is give examples for each and break down each example providing more detail of just some of the possible reasons as to why people do them possible mentalities I also provide some of my own experiences and everything discussed in this book I have personally witnessed and or have gone thru I included the following Situations based on personal experience and or witnessing them with some online research to support certain issues My perception perspective and mentality on various issues that affects everyone to some degree Quotes that further support certain chapter topics Philosophies analogies and comparisons to provide better contextual clarification on certain issues Detailed breakdown of the examples provided within each chapter Explanation of what it will take to help fix each of these issues Some of the many possible reasons why people behave the way they do and some of the possible motives intentions and life experiences from both sides person doing the behavior and the person receiving the treatment Solutions to all the topics that are discussed changes that we need to make with how we think and act towards others Furthermore I provide much thought provoking material to challenge the way we think and view society in ways you might not have considered I discuss many unhealthy mentalities and behaviors which is damaging to people on a much larger scale and it s having a much greater influence on others both directly and indirectly in ways that we do not even realize This book is something the whole world needs to read and here is why Providing solutions to some of the biggest cultural and social issues which have existed for far too long The way the world is with how we treat others is badly broken and some of the solutions are in this book which the world needs the solutions I provide We do the same or similar behaviors towards others expecting different results and this is not working at all We need to step outside our comfort zone by changing their behaviors in ways we re not used to doing to get something you ve never had you must first do something that you ve never done The world needs to be less close minded and use less tunnel vision the mind is like a parachute it can t work if it s not opened I see the world differently and the purpose of this book is to share different ways of looking at situations and the numerous possibilities to take into consideration I share my perception and perspective viewpoint mentality and some of my own philosophies I provide a more in depth perspective of looking at a variety of life situations and the possible reasons as to why people choose to treat others the way they do I think a lot of people might find this content in general interesting beneficial inspiring and or even life changing **International Encyclopedia of Business Management** ,2025-09-01 The Encyclopedia of Business Management Four Volume Set is a comprehensive resource that covers over 200 topics across various areas of business management Each entry is written in an accessible manner making complex concepts easy to understand The encyclopedia addresses interdisciplinary subjects such as cultural entrepreneurship tourism innovation and marketing promotions By emphasizing definitions and practical applications the entries help readers grasp the relevance of each topic Expert editors
