What is this book about The short answer is that it is about Bull Durham and the Godfather joining to play some golf with Tin Cup At one time or another you've probably heard expressions like You're a product of your environment More is better and Timing is everything Extra Innings is the story of Bobby Winston and Pep Woodson It chronicles their youth and the influence of their environment on their lives and careers in Major League Baseball Bobby and the aerospace industry Pep Each of them enjoyed enough success in their individual careers to enable them to retire comfortably but it seemed that they were a step ahead of the boom times in each industry Bobby and Pep meet in retirement and work together at a golf course where their interests in golf are focused It doesn't take long for them to exchange stories of their past and recognize the similarities in their lives The compensation landscape changes around them in some of the same ways An opportunity for each of them to get a second bite of the apple arises when they join forces
