The Oxford Handbook of Pauline Studies Matthew V. Novenson, R. Barry Matlock, 2022-04-08 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul

himself to the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very generative texts The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters

San Pablo, el Espíritu y las Virtudes Nélica Naveros,2023-08-15 Poniendo a Pablo dentro del mundo de la epoca helenista judia y griega este libro examina su nuevo mensaje sobre la posicion preeminente del espiritu en su doctrina sobre las virtudes La pregunta central es como el concepto del espiritu se hace la fuente principal de todas las virtudes cristianas en la vida ordinaria de los judios y gentiles creyentes y como se refleja en sus cartas El libro examina las siete cartas indiscutibles de Pablo e ilustra la ensenanza fundamental del poder del espiritu en la adquisicion de las virtudes y la evitacion de los vicios De hecho se da un enfasis a las virtudes y vicios reflejadas en cada una de las siete cartas Tambien investiga como la vida de los creyentes en la comunidad cristiana fluye del Espiritu recibido de Dios El libro ofrece al lector un estudio completo del entendimiento del termino espiritu en las tradiciones helenista judias y griegas dando un enfoque a la manera como Pablo usa el lenguaje filosofico en su exhortacion etica un lenguaje que probablemente habria sido comun para muchos de sus oyentes gentiles creyentes con el fin de ofrecer un entendimiento persuasivo de su exhortacion a la vida virtuosa
