Stories We've Heard, Stories We've Told Jeffrey A. Kottler,2015 If you ask someone the question Tell me a story that changed your life there will almost certainly be a thoughtful pause before a huge grin emerges Everyone s life has been guided and impacted by stories beginning with the earliest fables and nursery rhymes our parents used to instill moral values to the last time you wanted to illustrate a point in a meeting or get a laugh out of a friend over dinner Storytelling is a uniquely human activity among our first and most enduring forms of communication This is a book about the meaning of stories in people s lives especially those that have produced enduring changes in their values behavior lifestyle and worldview Carefully documented and supported by research from the social sciences as well as from neurobiology the humanities media studies and arts Jeffrey Kottler will explore how and why stories are so powerfully influential in people s lives especially those that lead to major life transformations
