The Soul of Ireland W. J. Lockington, 1920 **Irish Stereotype in American Cinema** Piotr Szczypa, 2021-08-04

Discussing the role of violence in the Irish stereotype this book is a fascinating story of the changing perception of the Irish in America as told by American cinema From *Levi and Cohen Irish Comedians 1903 to The Irishman 2019* some of the productions analyzed here are timeless classics others have almost been forgotten What they have in common is the presence of violence as the key ingredient in the construction of Irish characters In his insightful study Piotr Szczypa employs imagological perspective to investigate the evolution of their portrayal in American films showing not only how the Irish have adjusted to America but also how America has embraced Irishness *Irish on the Inside* Tom Hayden, 2003 Tom Hayden explores the losses wrought by Irish American conformism in his own life and beyond *The Soul of Ireland* William Joseph Lockington, 1920 **The Back Of Beyond** James Charles Roy, 2009-02-18 James Charles Roy a noted authority on Irish history and travel escorts a disparate group of Americans through the lonely backwaters of ancient Ireland Visions of a glorious enterprise evaporate as he sees a dejected and weary handful of aged American tourists disembark at Shannon Airport Fortified by Guinness Roy hurls himself into sharing with them the joys and wonders of Ireland's twisted byways Determined to avoid cliché Roy leads his group to obscure Celtic coronation sites monasteries and remote abbeys as he spins a narrative that pulls Ireland's chaotic story into coherence His unsuspecting charges begin to shed their hesitations relishing their guide's idiosyncratic approach to Ireland Black comedy aside Roy touches an emotional chord how the economic phenomenon known as the Celtic Tiger has transformed Old Ireland into a high tech power At the tour's end Roy embarks alone for the inaccessible Ardoilean a seventh century Celtic hermitage in County Galway His vision of an Ireland lost forever is an emotional tour de force *In Search of Ireland's Holy Wells* Elizabeth Healy, 2001 **In Search of the Phoenicians** Josephine Quinn, 2018 Who were the ancient Phoenicians and did they actually exist The Phoenicians traveled the Mediterranean long before the Greeks and Romans trading establishing settlements and refining the art of navigation But who these legendary sailors really were has long remained a mystery In Search of the Phoenicians makes the startling claim that the Phoenicians never actually existed Taking readers from the ancient world to today this monumental book argues that the notion of these sailors as a coherent people with a shared identity history and culture is a product of modern nationalist ideologies and a notion very much at odds with the ancient sources Josephine Quinn shows how the belief in this historical mirage has blinded us to the compelling identities and communities these people really constructed for themselves in the ancient Mediterranean based not on ethnicity or nationhood but on cities family colonial ties and religious practices She traces how the idea of being Phoenician first emerged in support of the imperial ambitions of Carthage and then Rome and only crystallized as a component of modern national identities in contexts as far flung as Ireland and Lebanon In Search of the Phoenicians delves into the ancient literary epigraphic numismatic and artistic evidence for the construction of identities

by and for the Phoenicians ranging from the Levant to the Atlantic and from the Bronze Age to late antiquity and beyond A momentous scholarly achievement this book also explores the prose poetry plays painting and polemic that have enshrined these fabled seafarers in nationalist histories from sixteenth century England to twenty first century Tunisia The Soul's Quest Frederick George Scott,1888 Catalogue of the Printed Books in the Library of the Society of Writers to H. M. Signet in Scotland ,1891 **Western Europe** Wayne C. Thompson,2006-08 Irish America ,2001 *A Second Supplement to the Catalogue of Books in the Signet Library. 1882-1887* Signet Library (Great Britain),1891 **Irish Arts Review** ,2008 *Your Place or Mine?* Ethel Crowley,2013-03-22 Ireland s economy is being scrutinised daily by everyone from politicians to pub goers but what about the deeper questions of Ireland s sense of identity and community Socially Ireland is in a period of rapid change is it time to get behind the numbers and look at who we really are In *Your Place or Mine* sociologist Ethel Crowley looks at our attitudes to home place family sexuality and community Do we still need the traditional forms of connection to home family community and locality in the highly globalised society in which we live Do we still like to stay within the heart of a familiar comfort zone or are we willing to push its boundaries *Your Place or Mine* captures some of the complexities of contemporary Ireland What is the impact of globalisation and multiculturalism Are community values really declining Despite a more liberal attitude to sexuality are we a liberal society Ethel Crowley mixes warm hearted biography and sociological rigour to create a set of reflections on finding our place in the world as a country and as individuals Crowley uses an exciting innovative approach to identify and describe the cultural transformations of contemporary Ireland Mixing personal memories with sociologically informed debate she provides an insightful and imaginative explanation of how Ireland has combined the local with the global Professor Tom Inglis School of Sociology University College Dublin **The Field Day Anthology of Irish Writing** Seamus Deane,Andrew Carpenter,Angela Bourke,Jonathan Williams,1991 The Nation ,1919 *The Impact of Irish-Ireland on Young Poland, 1890-1919* John A. Merchant,2008 *Moda Polska* Young Poland emerged between 1890 and 1918 It was a unique movement in which Polish intellectuals attempted to combine native forms of expression with the ideals of European modernism to create artistically innovative and inherently Polish work John A Merchant examines the impact of a contemporary movement Irish Ireland on Polish culture during the same period He traces both Young Poland and Irish Ireland s ideas of culture and politics while analyzing their geopolitical differences Of all the different cultural and political influences that helped shape Young Poland the Irish Ireland movement represents one of the most intriguing and historically the most overlooked *Notes on Modern Irish Literature* ,1997 **Stories of Irish life** Henry Martin (writer of stories.),1878 **The Washington Post Index** ,1989
