Searching For And Maintaining Peace A Small Treatise On Peace Of Heart:

Searching for and Maintaining Peace Jacques Philippe, 2002 We live in a day and age characterized by an extraordinary amount of agitation and lack of peace This tendency manifests itself in our spiritual as well as our secular life In our search for God and holiness in our service to our neighbor a kind of restlessness and anxiety take the place of the confidence and peace which ought to be ours What must we do to overcome the moments of fear and distress which assail us all too often in our lives How can we learn to place all our confidence in God and abandon ourselves into his loving care This is what is taught in this simple yet profound little treatise on peace of heart Taking concrete examples from our everyday life the author invites us to respond in a Gospel fashion to the upsetting situations we must all confront Since peace of heart is a pure gift of God it is something we should seek pursue and ask him for without cease This book is here to help us in that pursuit

Living the Truth in Love Janet Smith, 2015-07-08 *Living the Truth in Love* grew out of the desire to provide answers to the questions posed for the Synod on Marriage called by Pope Francis How can the Christian community give pastoral attention to families with persons with same sex attraction While avoiding any unjust discrimination how can the Church give such persons pastoral care in light of the Gospel How can God's will be proposed to them in their situation People who want to be instruments of Christ's love to those who experience same sex attraction SSA seek guidance on how best to do so They need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys They also need to ground their responses in a genuine Christian understanding of the human person and of human sexuality This volume includes essays that lay out the Christian view of the human person and of human sexuality essays that challenge the bifurcation of sexualities into heterosexual and homosexual Topics include an explanation of the meaning of the word disorder a discussion of the therapeutic power of friendship and an application of Saint John Paul II's personalism to the question of same sex attraction Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ's healing love Several of those who experience SSA tell their touching and inspiring stories

Faith and Reason Brian Besong, Jonathan Fuqua, 2019-05-20 Too smart to believe in God The twelve philosophers in this book are too smart not to and their finely honed reasoning skills and advanced educations are on display as they explain their reasons for believing in Christianity and entering the Roman Catholic Church Among the twelve converts are well known professors and writers including Peter Kreeft Edward Feser J Budziszewski Candace Vogler and Robert Koons Each story is unique yet each one details the various perceptible ways God drew these lovers of wisdom to himself and to the Church In every case reason played a primary role It

had to because being a Catholic philosopher is no easy task when the majority of one's colleagues thinks that religious faith is irrational. Although the reasonableness of the Catholic faith captured the attention of these philosophers and cleared a space into which the seed of supernatural faith could be planted in each of these essays the attentive reader will find a fully human story. The contributions are not merely collections of arguments; they are stories of grace. *Soul Garden* Hope Schneir, Sia Hoyt, 2024-11-27. The power of a woman is most concretely observed in the seeds she plants day after day in the lives of those around her. *Soul Garden* is a sizable collection of personal stories, essays, poems, and recipes written to cultivate the motherly role of women by offering inspiration, camaraderie, and encouragement. Contributors from across the country and around the world invite readers to put away their screens and to pick up this lovely tangible book in which they can find nourishment for the soul and tips for practical life. Among the nine chapters are *Nurture* which encourages women in their call to care for the children and other people God has placed in their lives; *Ponder* which considers the lessons, blessings, and challenges of motherhood; *Dwell* which suggests ways to create a beautiful home regardless of a woman's budget; and *Fiat* which honors the Blessed Virgin Mary as the model woman. *Soul Garden* aims to strengthen the heart of the mother, thereby strengthening the heart of the Church and of society itself. **The Catholic Periodical and Literature Index**, 2002
