Searching for Sam Timothy S. Johnson, 2000 Job 28. Cognition in Context Wolde, 2021-10-01 This volume deals with the song of wisdom in Job 28 as it is analysed by scholars in biblical exegesis Hebrew lexicography and cognitive linguistics A colloquium organised by the Royal Netherlands Academy of Arts and Sciences Amsterdam 2002 of experts in these three disciplines showed that exploring the common ground is worthwhile The proceedings of this conference presented here under the title Job 28 Cognition in Context not only indicate the possibilities of Hebrew semantics and cognitive approaches to the Hebrew Bible but rather severely expose the unsatisfactory simplicity with which the bifurcation of so called historical and literary approaches to or readings of the biblical text is still regarded in the exegetical disciplines *Wounded Masculinity and the Search for (Father) Self in American Film* Susan Mackey-Kallis, Brian Johnston, 2023-12-12 Drawing on texts and theorists of Greek myth psychoanalysis and masculinities Susan Mackey Kallis and Brian Johnston develop and offer a model of rhetorical and mythic criticism to analyze popular American film In this book Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell s interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest **In Search of a Straight Line** Stephen Peterson, 2015-02-13 The true life story of Stephen Peterson provided in order let the world know what really happened from 1985 to 2013 This will expose the false stories as have been put on the Internet by the associates and especially attorneys of underworld persons that have been arrested and have died in Prison or are now serving life sentences The demise of the underworld group is the result of Stephen Peterson having his life on the line to see that justice was done **Transforming the Rebel Self: Quest Patterns in Fiction** by William Styron, Flannery O'Connor and Bobbie Ann Mason Sharon Therese Nemeth, 2010 Originally written as the author s dissertation Dictionary and grammar of the Kongo language, as spoken at San Salvador.
