What is Christianity A philosophy A set of ideas A path to spirituality A rule of life Is it even a political agenda Christianity is none of these things yet it includes and indeed gives energy to them all Christianity is a way of life It is rooted in the good news revealed by an event that rocked the world And those who believe this good news and live by it experience deep and lasting change This is Paul's message to the Corinthians and to us today Making use of his true scholar's understanding yet writing in an approachable and anecdotal style Tom Wright captures the dauntless power of these letters They were written by Paul while in prison facing the possibility of imminent death yet burn with undimmed passion Paul seeks to help direct the growing faith where his influence might prove crucial and writes a very personal letter to a slave owner on behalf of a runaway Engage 365: Get to Know God's People Alison Mitchell, 2023-07-01 This year long reading plan with Engage

does this theme play in the Epistle to the Romans Does union with Christ have an Old Testament background or did Paul create the concept for his own theological purposes These questions will be answered in this exegetical study of Romans Special attention is given to Paul's use of Old Testament stories in relation to union with Christ It will be shown that Paul understands union with Christ to be the climax of the human story a story of creation and rebellion that includes all people

regardless of ethnic or social background Those who believe in Jesus as the promised Messiah experience restoration as they move from union with Adam into union with Christ United to Christ the church finds unity in a new identity as a new people in Christ **Romans Verse by Verse (Osborne New Testament Commentaries)** Grant R. Deuteronomy for the Church M. Eugene Boring, 2022-06-21 Justice only justice is Deuteronomy's terse summary of what Yahweh requires of the people of God What Deuteronomy reveals is that the competence to be God's people to know God and to do God's will comes only through hearing the transforming Word of God in Scripture Deuteronomy sets the scene for hearing God's Word in the wilderness as Moses addresses a new in-between generation of all Israel The people of God are no longer in Egypt nor yet in Canaan Moses warns them against allowing the past to control them and attempts to equip them to live faithfully in the new situation in which they find themselves Deuteronomy's core theology expressed in the Shema Hear O Israel The Lord is our God the Lord alone forms the structure of the book What does it mean to hear Who is all Israel And how does the identity of the one Lord shape ethics To hear the biblical text does not mean passive listening Hearing means engaging the story of God's Word with our own story The book explores the three levels of hearing in Deuteronomy hearing the story in the text its narrative world hearing the story behind the text what really happened and hearing the story of the text how the original preaching and teaching became a canonical book that comes to us already translated with a rich history of interpretation in which contemporary readers stand Deuteronomy for the Church reminds us that Christian believers are included in all Israel that in reading Deuteronomy we are not merely spectators overhearing what was once said to other people but that we are addressed as on stage participants in the story with the responsibility to discern and improvise what God requires of us in our time and place Discerning the will of God means deepening our understanding of God's own revelation of the divine character and purpose in history This responsibility is illuminated by New Testament examples that interpret Deuteronomy in light of God's definitive self-revelation in Christ The Variorum Teacher's Edition of the Holy
