**Under a Blood Red Sun** John J.

Domagalski,2020-01-10 The author of Into the Dark Water balances scholarly research with accessible storytelling to tell the heroic WWII account of Torpedo Boat Squadron 3 Midwest Book Review During the opening days of World War II in the Pacific a small group of American sailors in the Philippines were propelled into the forefront of the fighting against the navy and air power of Imperial Japan They were manned with six small wooden PT boats and led by a courageous larger than life character in Lt John D Bulkeley As America s defense of the Philippines crumbled under the weight of a massive Japanese assault the courageous activities of Bulkeley s Torpedo Boat Squadron 3 made headlines across the United States often as the only good news coming from the bleak Pacific front The unit achieved everlasting fame by evacuating Gen Douglas MacArthur from the front Then the squadron continued to fight on until all six of its torpedo boats were lost under fire The fate of the doomed American defenders was sealed when the Japanese won the battle for the islands in the spring of 1942 The exploits of the unit were immortalized in the blockbuster 1945 movie They Were Expendable starring John Wayne and Robert Montgomery but since then the saga of Bulkeley and his men has slipped into history Under a Blood Red Sun revives the story of the Philippine PT boats through the intertwined accounts of Bulkeley and his subordinate officers and men It is a story of the courage and sacrifice of men thousands of miles from their homeland representing American gallantry and fighting prowess giving the Japanese a taste of what was to come their way *Last Stand on Bataan* Christopher L.

Kolakowski,2016-03-14 In the opening days of World War II a joint U S Filipino army fought desperately to defend Manila Bay and the Philippines against a Japanese invasion Much of the five month campaign was waged on the Bataan Peninsula and Corregidor Island Despite dwindling supplies and dim prospects for support the garrison held out as long as possible and significantly delayed the Japanese timetable for conquest in the Pacific In the end the Japanese forced the largest capitulation in U S military history The defenders were hailed as heroes and the legacy of their determined resistance marks the Philippines today Drawing on accounts from American and Filipino participants and archival sources this book chronicles these critical months of the Pacific War from the first air strikes to the fall of Bataan and Corregidor Guantánamo

Jonathan M. Hansen,2011-10-11 An on the ground history of American empire Say the word Guant namo and orange jumpsuits chain link fences torture and indefinite detention come to mind To critics the world over Guant namo Bay Cuba is a striking symbol of American hypocrisy But the prison isn t the whole story For more than two centuries Guant namo has been at the center of American imperial ambition first as an object of desire then as a convenient staging ground In Guant namo An American History Jonathan M Hansen presents the first complete account of this fascinating place The U S presence at Guant namo predates even the nation itself as the bay figured centrally in the imperial expansion plans of colonist and British sailor Lawrence Washington half brother of the future president George As the young United States rose in power Thomas

Jefferson and his followers envisioned a vast empire of liberty which hinged on U S control of the Gulf of Mexico and the Caribbean Sea Politically and geographically Guant namo Bay was the key to this strategy So when Cubans took up arms against their Spanish rulers in 1898 America swooped in to ensure that Guant namo would end up firmly in its control Over the next century the American navy turned the bay into an idyllic modern Mayberry complete with bungalows cul de sacs and country clubs which base residents still enjoy In many ways Guant namo remains more quintessentially American than America itself a distillation of the idealism and arrogance that has characterized U S national identity and foreign policy from the very beginning Despite the Obama administration s repeated efforts to shutter the notorious prison the naval base is in no danger of closing anytime soon Places like Guant namo which fall between the clear borders of law and sovereignty continue to serve a purpose regardless of which leaders left right or center hold the reins of power **Parameters** ,1998

*Twelve Handkerchiefs* Joan Bulkeley Stade,2001 **The Publishers Weekly** ,1998 *Naval History* ,2014

**Bibliography of Nautical Books** Alan Obin,2000-02 This is the 15th annual edition of the Bibliography of Nautical Books a reference guide to over 14 000 nautical publications It deals specifically with the year 2000 *Books in Print Supplement* ,2002 **Library Journal** ,1998 **Forthcoming Books** Rose Arny,1998-06 *The Sea Wolf* Jack London,1992 **The Sea-wolf and Selected Stories** Jack London,Franklin Walker,1972 **The Sea-Wolf and Selected Stories** Jack London,1969 *Sea Wolf* Jack London,1900 **Sea-Wolf** Jack London,2019
