## Search For God:

*Searching for God* Gregory C. Higgins, 2014 Searching for God draws upon the traditional categories of systematic theology as it guides readers through the Catholic theological thought process involved in the search for God At each step we examine the work of a past thinker from the time of the early church up to the early twentieth century and a present thinker whose works are often required reading in theology courses Not only do readers have the opportunity to critically evaluate several important theological works in the Catholic tradition they can also enter into dialogue with those works as they engage in their own search for God Provided by publisher *Searching for God, the Precious Treasure, in My Daily Life* Reverend Peter G. Vu, 2019-03-26 In an increasingly tumultuous world knowing God is by your side can make an enormous difference bringing strength comfort and peace In *Searching for God the Precious Treasure in My Daily Life* Rev Peter G Vu helps you see God's presence in everyday events and find the encouragement necessary to thrive in times of challenge Through prayer acts of charity and interactions with others you will see that God is before you behind you and all around you a benevolent guiding force to help you walk the path of the righteous A portion of the proceeds from book sales will benefit the American Red Cross and the Catholic Relief Services in addition to other charities *A Search for God in Time and Memory* John S.
