Biblical Truths and the Plan of Salvation Marilyn E. Phelan, Jay M. Phelan, 2023-03-01 A judge and a retired law professor co authors of In His Footsteps The Early Followers of Jesus provide in this book a comprehensive study of the Scriptures from Genesis to Revelation with an objective to connect the early Scriptures to the New Testament writings of the first believers and to present conclusive proof that the coming of the Lord Jesus Christ fulfilled scriptural prophecies of a promised Messiah The book clarifies parts of the Scriptures some find difficult to understand given the many languages and translations through the ages in which the nonetheless timeless and amazing words from the Bible were written and recorded The book details historical events that led to the development of the books of the New Testament and documents the history of the spread of the gospel from the early church to the present In also reviewing current events that point to a nearing of the end times and a miraculous return of the Messiah the last chapter includes a timetable of incidents that have led to the new nation of Israel and the return of the Jewish people to their

homeland additional evidence of the truth and the continuing fulfillment of scriptural prophecies *Lessons from the Apostles* Glen A. Blanscet,2021-03-19 We often think of the apostles as spiritual giants men who were uniquely qualified to walk with Jesus and carry on His mission to the world But the reality is they stand out more for their lack of qualifications They were not trained religious scholars they often misunderstood what Jesus told them and sometimes they simply failed to live up to Jesus s expectations Not only did they lack qualifications but they also encountered many of the same fears and issues we experience They struggled with doubts cowardice ambition faithlessness pessimism and greed In other words the apostles were people just like us Yet Jesus chose them to change the world And they did *Lessons from the Apostles* describes the struggles and personalities of these ordinary men reveals the transformation Jesus made in their lives and identifies specific lessons you can apply in your own life You will also find brief accounts of the stories and legends regarding what happened to the apostles after the Bible As you read about each of these men you will likely recognize your own personality in one or more of them And you will find encouragement from knowing that you too are the type of person God can use to change the world *The Search for the Origins of Christian Worship* Paul F. Bradshaw,2002 This text re examines the great variety of liturgical practices in the first four centuries in the light of modern Jewish and Christian scholarship *In His Footsteps* Marilyn E. Phelan,Jay M. Phelan,2021-06-08 From the lengthy research and pen of two lawyers a judge and a former law professor this book *In His Footsteps The Early Followers of Jesus* is a guide to understanding the early Christian movement through a study of the lives and ministries of the first believers most of whom had met with the risen Jesus and thus knew without doubt that Jesus was the Christ and Savior of the world The book cites accounts from Eusebius a third century Greek Christian historian who also referenced testimony from first century Christians about the almost unbelievable courage of the early followers of Jesus who willingly and fearlessly despite tremendous persecution and sufferings brought to an otherwise lost world an assurance of life eternal for all believers The book also refers to the fulfillment of many of the biblical prophecies the principal ones being the restoration of the nation of Israel and the return of many Jewish people to their homeland This book is an indispensable resource for all persons as the tremendous sacrifices of the first believers should never be forgotten **The Twelve Apostles** James Rendel Harris,1927 *Follow Jesus* Carol A.
