When the best summer of his life finally ends, Sebastian has to make a difficult decision between staying in perpetual childhood forever and facing adulthood with all of its joys and fears. **Psychoanalysis and Paediatrics** Francoise Dolto, 2018-05-08 This book is the author's 1939 medical thesis and is dedicated to medical practitioners, paediatricians, and parents without prior knowledge of psychoanalysis. The author's aim was to sensitise people to the unconscious dimensions of many problems in children. She demonstrates here, through sixteen case studies, how often children's difficulties at school and at home, be they behavioural or due to impaired learning abilities, are the expression of psychological issues linked with their developing sexuality and castration anxiety, and result in physical symptoms such as enuresis and encopresis. The author points out that the awareness of the self and self-responsibility often develops for young people in families in which the parents do not know how to listen or even more importantly cannot be listened to with trust. There is also a summary of Freud's theories of the different stages of the evolution of the drives, as well as the central developmental role played by the castration complex, castration anxiety, and the Oedipus Complex.

**Lemniscate** Gaynor McGrath, 2008 One woman's adventurous search for love, meaning, and connection. In the 70s, travel scenes of Afghanistan, India, and Thailand. Elsie discovers adventure, friendship, and freedom. After three years, she returns to her welcoming and loving family in suburban Australia, where time seems to have stood still. Disenchanted with the dreary conventions of authoritarian and Catholic Adelaide, she becomes a restless spirit torn between the call of family and the world. An ever-searching series of relationships and relocations ultimately takes her, as a single parent, to live on the Greek island of Paros, until tragedy unexpectedly reconnects her with Australia and the complex truth about love and family. This is a deeply affecting, sprawling, beautiful novel about finding one's way in life and the world. Lemniscate, a line that travels continuously outward as it travels continuously inward.

This time, Amanda has come to the attention of a rather fabulously rich and unscrupulous antiques dealer, and Sebastian is forced to pull every trick he knows to try to keep her safe. Before they know it, they're in Paris, and before Sebastian quite realizes what he's doing, he's kissing Amanda up against a wall.
