Praying The Rosary A Complete Guide To The Worlds Most Popular Form Of Prayer:

Praying the Rosary Megan McKenna, 2007-12-18 Internationally acclaimed author Megan McKenna gives this Catholic tradition enriched modern relevance in a completely up to date guide to praying the Rosary designed for general readers and incorporating the recent additions made by Pope John Paul II As a speaker teacher and bestselling Catholic author Megan McKenna has informed and inspired audiences both in and outside of the Catholic tradition with her warmhearted contemporary approach to spirituality Now she turns her attention to the Rosary revealing the universality of this ancient practice and how it can enrich lives today Praying the Rosary the act of counting off prayers with a string of beads in a rhythm of focused spiritual contemplation is a practice that has existed for centuries and is common to many faiths For the world s one billion Catholics it has become the most popular form of devotion Though strongly associated with the Virgin Mary the prayers of the Rosary are ultimately meant to bring those who say them closer to Jesus Christ whose life and teachings are central to all branches of the Christian faith This gives the Rosary an ecumenical dimension that is in sync with today s emphasis on the common bonds rather than the divisions among all Christians In 2002 Pope John Paul II updated the Rosary by adding a new section on the teachings of Jesus further emphasizing the centrality of Christ and the biblical Gospels at the heart of the prayers Embracing this ecumenical attitude in *Praying the Rosary* Megan McKenna explores the Rosary and explains how to pray it incorporating the Pope s recent additions and revealing its relevance to a new generation She breaks down the Rosary into its twenty components prefacing each with a selection from Scripture that identifies the prayer s source in the Bible Combining practical instruction with meditative reflections on the prayer s spirituality she reveals the Rosary s richly contemplative nature and shows how praying the Rosary can inspire peaceful calm attitudes and an awareness of the universal spiritual mystery that connects all Christians **Like a Hammer Shattering Rock** Megan McKenna, 2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we ve stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the development of new gospels for the 21st century McKenna argues that we haven t paid due attention to the ones we already have in many cases we ve ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus s apostles continue to resonate The Publishers Weekly, 2006 **Library Journal**, 2004 **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
