**Lectures on Preaching** Matthew Simpson, 1879      **A Manual for Preaching** Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's *A Vision for Preaching* offered an integrated biblical and theological vision for preaching. *A Manual for Preaching* addresses the practical and perennial issue of how to move from the biblical text to an effective sermon. The author, a well-respected teacher of preachers, shows how to discern the text's theological meaning and let that meaning shape the development of the sermon. Clearly written and illustrated with Old Testament and New Testament examples, the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla.      *Fifty Sermons Preached Upon Several Occasions* Edward Stillingfleet, 1707      *Preaching in Demonstration of the Spirit and Power* John Mason Stapleton, 1988      *The Routledge Companion to Early Christian Thought* D. Jeffrey Bingham, 2009-12-15 The shape and course which Christian thought has taken over its history is largely due to the contributions of individuals and communities in the second and third centuries. Bringing together a remarkable team of distinguished scholars, *The Routledge Companion to Early Christian Thought* is the ideal companion for those seeking to understand the way in which Early Christian thought developed within its broader cultural milieu and was communicated through its literature, especially as it was directed toward theological concerns. Divided into three parts, the Companion asks how Christianity's development was impacted by its interaction with cultural, philosophical, and religious elements within the broader context of the second and third centuries; examines the way in which Early Christian thought was manifest in key individuals and literature in these centuries; analyses Early Christian thought as it was directed toward theological concerns such as God, Christ, Redemption, Scripture, and the community and its worship.      **The Divine Art of Preaching** Arthur T. Pierson, 1892      *The Lives of Early Methodist Preachers* Thomas Jackson, 1872      **Ruled Reading and Biblical Criticism** Matthew T. Bell, 2019-11-04 In *Ruled Reading and Biblical Criticism*, Matthew T. Bell contends that the gulf in interpretive priorities between ancient and modern readers has been exaggerated and that careful study of early Christian reading practices suggests that it is both possible and productive to recontextualize early Christian ruled reading for a postmodern setting. Modern prejudice holds that ancient Christian interpretation was relatively unconcerned with history and concomitantly determined to foist extrascriptural doctrinal commitments onto scripture, silencing those layers of scripture's meaning that modern criticism has been most concerned with uncovering. In this book, Bell argues that when the ethos and theology of reading in the early Church are taken into account, premodern interpretive priorities turn out to be less implausible than the modern world has believed them to be. Through close reading of ancient Christian texts, Bell outlines an ontology of scripture wherein the relationship between early Christianity's Rule of Faith on one hand and its scriptures on the other was expressly constructed as a hermeneutical spiral, the slant of which was designed to attend to and be edified by textually mediated conundrums and intellectual provocations. Viewed along that spiral, the Church's Rule was as scriptural as the Church's catalog of scriptures.

was ruled This book will be welcomed by academics who study early Christianity and scripture as well as scholars interested in reconsidering Christian hermeneutical questions for a postmodern age      **Faith that stands in the power of God**

Andrew Murray,1896      **The Power of Revival** Dongjin Park,2023-11-08 Lloyd Jones s Reformed doctrine of Spirit baptism The Welsh minister Martyn Lloyd Jones 1899 1981 was one of the most influential preachers of the twentieth century His preaching was grounded in his view on the baptism of the Holy Spirit but his pneumatology is often seen as a departure from his Reformed heritage In The Power of Revival Dongjin Park explores how Lloyd Jones s preaching was kindled by his distinctly Reformed view of Spirit baptism By tracing Lloyd Jones s writings and sources Park shows how Lloyd Jones s theology of Spirit baptism was less an embrace of charismatic and Pentecostal theology than a reappropriation of Puritan emphasis on experiential faith Lloyd Jones s revivalistic urgency fueled by the Spirit s power to ignite preaching and holy living found its spark in Calvinistic revivalism The Power of Revival sheds light on Lloyd Jones and Reformed theology and encourages readers to follow his example of relying on the Spirit      The Ministry of Preaching Roy Pearson,1959
