Summary of Dave Rubin's Don't Burn This Book Milkyway Media,2022-04-27 Buy now to get the main key ideas from Dave Rubin's Don't Burn This Book. Has the contemporary left abandoned the true values of liberalism? In Don't Burn This Book 2020 Dave Rubin examines the state of the political left in today's world and finds that it suffers from mob mentality and threatens our freedoms. Rubin offers a guide to a classical liberal approach to politics and life based on his experiences and views of the world. Simultaneously he deconstructs the left and its regressive ideologies built on empty outrage and baseless self-victimization. Summary of Dave Rubin's Don't Burn This Book Everest Media,2022-05-27T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights: 1. The left has completely lost its mind. It is now authoritarian and puritanical, and it has replaced the battle of ideas with a battle of feelings. It has replaced honesty with outrage. 2. I was a closeted gay man for twenty-five years, and it nearly broke me. I developed a habit of downing bottles of cheap red wine alone in my apartment. One day in September 2001, I hallucinated and thought the buildings on both sides of the street were shaking. I knew I had to get a grip on reality. 3. The closet is a dangerous place where you are only able to think about yourself. It is a place of solitude, darkness, and silence. It is a danger zone for your happiness, your relationships, and ultimately your identity. 4. This book is your guide to political authenticity. You'll learn how to stop worrying about whether you're a Nazi, check your facts, and never ever surrender to the mob.

When a cultural movement that began to take shape in the mid-twentieth century erupted into mainstream American culture in the late 1990s, it brought to the fore the idea that it is as important to improve one's own sense of pleasure as it is to manage depression and anxiety. Cultural historian Daniel Horowitz's research reveals that this change happened in the context of key events: World War II, the Holocaust, post-war prosperity, the rise of counter-culture, the crises of the 1970s, the presidency of Ronald Reagan, and the prime ministerships of Margaret Thatcher and David Cameron provided the important context for the
