PISA 2018 Results (Volume II) Where All Students Can Succeed OECD, 2019-12-03 This is one of six volumes that present the results of the PISA 2018 survey the seventh round of the triennial assessment Volume II Where All Students Can Succeed examines gender differences in student performance and the links between students' socio-economic status and immigrant background on the one hand and student performance and well-being on the other

The Latinx Guide to Graduate School Genevieve Negrón-Gonzales, Magdalena L. Barrera, 2023-01-30 In *The Latinx Guide to Graduate School* Genevieve Negrón-Gonzales and Magdalena L. Barrera provide prospective and current Latinx graduate students in the humanities and social sciences fields with a roadmap for surviving and thriving in advanced degree programs They document the unwritten rules of graduate education that impact Latinx students demystifying and clarifying the essential requirements for navigating graduate school that Latinx students may not know because they are often the first in their families to walk that path Topics range from identifying the purpose of graduate research finding the right program and putting together a strong application to developing a graduate student identity cultivating professional and personal relationships and mapping out a post-graduate school career The book also includes resources for undocumented students Equal parts how to guide personal reflection manifesto and academic musing this book gives a culturally resonant perspective that speaks to the unique Latinx graduate student experience

Children's Books in Print, 2007, 2006
Evaluation in Education John Mordechai Gottman, Robert Earl Clasen, 1972
Dictionary of Newfoundland English W.J. Kirwin, G. M. Story, J.D.A. Widdowson, 1990-11-01 The Dictionary of Newfoundland English first published in 1982 to regional national and international acclaim is a historical dictionary that gives the pronunciations and definitions for words that the editors have called Newfoundland English The varieties of English spoken in Newfoundland date back four centuries mainly to the early seventeenth century migratory English fishermen of Cornwall Devon Dorset and Somerset and to the seventeenth to the nineteenth century immigrants chiefly from southeastern Ireland Culled from a vast reading of books newspapers and magazines this book is the most

sustained reading ever undertaken of the written words of this province The dictionary gives not only the meaning of words but also presents each word with its variant spellings Moreover each definition is succeeded by an all important quotation of usage which illustrates the typical context in which word is used This well researched impressive work of scholarship illustrates how words and phrases have evolved and are used in everyday speech and writing in a specific geographical area The Dictionary of Newfoundland English is one of the most important comprehensive and thorough works dealing with Newfoundland Its publication a great addition to Newfoundlandia Canadiana and lexicography provides more than a regional lexicon In fact this entertaining and delightful book presents a panoramic view of the social cultural and natural history as well as the geography and economics of the quintessential lifestyle of one of Canada s oldest European settled areas This second edition contains a supplement offering approximately 1500 new or expanded entries an increase of more than 30 per cent over the first edition Besides new words the supplement includes modified and additional senses of old words and fresh derivations and usages
