**Praying with John Donne & George Herbert** John Donne, George Herbert, 1991-01-01 Well loved poems and thoughts drawn from less familiar sermons and other writings Praying with John Donne and George Herbert-Spck Duane Arnold, 1992 **Izaak Walton's Lives of John Donne, Henry Wotton, Richard Hooker and George Herbert** Izaak Walton, 1888 **Scripture and the English Poetic Imagination** David Lyle Jeffrey, 2019-04-16 The God of the Bible often speaks in poetry Beginning with an illuminating exploration of eloquence in the divine voice a highly acclaimed professor of literature opens up the treasury of biblical tradition among English poets both past and present showing them to be well attuned not only to Scripture's meaning but also to its music In exploring the work of various poets David Lyle Jeffrey demonstrates how the poetry of the Bible affords a register of understanding in which the beauty of Holy Scripture deepens meditation on its truth and is indeed a vital part of that truth **Common Prayer** Ramie Targoff, 2001-05 Common Prayer explores the relationship between prayer and poetry in the century following the Protestant Reformation Ramie Targoff challenges the conventional and largely misleading distinctions between the ritualized world of Catholicism and the more individualistic focus of Protestantism Early modern England she demonstrates was characterized less by the triumph of religious interiority than by efforts to shape public forms of devotion This provocatively revisionist argument will have major implications for early modern studies Through readings of William Shakespeare's Hamlet Richard Hooker's Lawes of Ecclesiastical Politie Philip Sidney's Apology for Poetry and his translations of the Psalms John Donne's sermons and poems and George Herbert's The Temple Targoff uncovers the period's pervasive and often surprising interest in cultivating public and formalized models of worship At the heart of this study lies an original and daring approach to understanding the origins of devotional poetry Targoff shows how the projects of composing eloquent verse and improving liturgical worship come to be deeply intertwined New literary practices then became a powerful means of forging common prayer or controlling private and otherwise unmanageable expressions of faith **Religio quotidiana: daily prayer the law of God's Church, and heretofore the practice of churchmen. To which is prefixed a pastoral letter** Richard Mant (bp. of Down, Connor and Dromore.), 1846 **Religio quotidiana: daily prayer the law of God's Church, and heretofore the practice of Churchmen. To which is prefixed a pastoral letter to the Clergy and laity of his diocese** Richard MANT (successively Bishop of Killaloe, and of Down, Connor and Dromore.), 1846 **Common Prayer on Common Ground** Alan Jones, 2006-05 Responding to the controversy and divisiveness within the Anglican Communion particularly over the issue of homosexuality Alan Jones offers a more balanced look at the middle way to be found within Anglican orthodoxy With its focus on careful listening and prayerful deliberation Jones's vision of orthodoxy is the antidote to the anger and bitterness that threatens the Body of Christ today In this thoughtful volume Jones takes a look at Anglicanism from four different perspectives fundamentalism versus modernism the tired caricature of Anglicanism as muddled thinking as an orientation toward
