Preaching and Teaching the Gospels to Children Sean McEntee,1992 *Preaching and Teaching the Gospels to Children* Sean McEntee,1993 **Preaching and Teaching the Gospels to Children** Sean McEntee,1991 *Preaching and Teaching the Gospels to Children* Sean McEntee,1992 *Preaching and Teaching the Gospels to Children* Sean McEntee,1993 **The Gospeller** ,1877 **The Homiletic Monthly** ,1882 **International Journal of Religious Education** ,1939 **The Gospel in All Lands** ,1885 *A Dictionary of Christ and the Gospels* James Hastings,2004-10

The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church *The Christian era*, ed. by J. Mountain Christian era Bible and prayer union, **International Books in Print**, 1995 Barbara Hopkinson,[Anonymus AC01401231],1995 *The Sunday-school Times* ,1889 *An Exposition of the Gospels* John MacEvilly,1898 *Counsel to Parents on the Moral Education of Their Children in Relation to Sex* Elizabeth Blackwell,1884 *Today's Parish* ,1990 **The Church School Journal** ,1890 **American Book Publishing Record** ,2003 **Gospel Telling** Richard J. Coleman,2002

When was the last time you took a moment to consider the purpose and effectiveness of your children s sermons After all nothing is more important than sowing the seeds of faith early in life In this comprehensive look at all aspects of preaching the gospel to young people Richard Coleman challenges you to examine your approach with a critical eye and gives you plenty of practical guidance for developing simple direct messages that help children form a relationship with Jesus Christ In the first section of Gospel

Telling Coleman discusses what constitutes meaningful children s sermons offering a thoughtful rationale for the idea that we must proclaim the gospel so youngsters experience God s love You ll learn how you can mine your own experience for inspiration and proclaim gospel stories that flow from your specific circumstances Then in the second portion of the book you ll see this process at work with over thirty examples illustrating several different types of children s sermons Whether you re a pastor Christian educator or engaged in the teaching ministry you re sure to profit from the practical advice and in depth reflection in these pages With Gospel Telling you ll be equipped to share with young people the good news with creativity and theological integrity Gospel Telling is an enriching book that treats children with the spiritual respect they deserve Richard Coleman understands the transformative language of children play and metaphor and shows how our weekly children s sermons can reach the heart of the child and not simply the mind of the adult This is a must have resource for educators and pastors alike Mickie O Donnell Executive Director Children s Ministries of America Richard Coleman understands the core of the biblical message as well as the learning processes of children and puts them together in theory and practice This is a valuable treatment of a too long neglected topic Rev Ray Kostulias Pastor First Congregational Church Park Ridge New Jersey Author of Character Witness and I Witness Richard J Coleman has served as the teaching minister of a university church the pastor of a small town congregation and the director of an interdenominational inner city Christian center He has published children s sermons leadership training articles and seasonal devotionals as well as books on the dialogue between science and theology and the dialogue between Evangelicals and Liberals Coleman is a graduate of Johns Hopkins University and Princeton Theological Seminary
