Preaching Through Luke James C. Goodloe IV,2014-01-22 Luke wrote this Gospel so that you Theophilus may have certainty concerning the things you have been taught i e catechesis 1 4 It proceeds with a barrage of questions The first comes from Zechariah How shall I know 1 18 This is a question of knowledge The angel Gabriel answers that we shall know by the word of God 1 19 The second comes from Mary How will this be 1 34 This is a question of agency of how the Son of God can become human Gabriel answers that it will be by the power of God 1 35 The third comes from Elizabeth Why me 1 43 Why should the gospel of Jesus Christ come to her Mary answers that it has to do with God s choice election mercy and salvation 1 47 55 The fourth has to do with John What then will this child be 1 66 Zechariah answers that he will be a prophet 1 76 79 John is not the Christ but he will go before the Christ Thus begins the catechism according to Luke a series of questions in order that we may have certainty concerning the things we have been taught

Huskey's Study Notes on Historical Theology Michael Huskey,2020-10-08 My people are destroyed for a lack of knowledge Hosea 4 6 The modern church is in grave danger If you pay attention at all this is easy to see One of the reasons we are in grave danger is our lack of knowledge The late Dr R C Sproul once said Everyone is a theologian The danger here lies in that if we do not have a correct understanding of God and his attributes we will create an idol of who we would like God to be Scripture tells us to love God with our whole minds A study of church history and of theology will help us accomplish this What you will find within the pages of this study is an emphasis on theology and doctrine as it was forced to become razor sharp due to people making God into the god they idolized As you proceed through these chapters you will be faced with questions that will help you to learn how to think critically You will learn many of the attributes of God You will also learn Christology soteriology hermeneutics apologetics polemics and a number of other tools to help guide you into who the biblical God truly is

Compassionate Intercultural Care Practices for Coping with Grief James Japheth Sudarshan Harrichand,2024-03-31 As humans we all express our grief

differently Acknowledging this truth Dr James Harrichand examines Old Testament accounts of grief and mourning alongside the experiences of marginalized Guyanese and Vietnamese immigrant communities in Canada He explores both biblical and pastoral theology through an anthropological lens bridging the horizons of Scripture and culture in a hermeneutically and pastorally sensitive manner Dr Harrichand s focus on prosaic prayers in the Old Testament fills a significant gap in the scholarship but this book is also significant for its immense practicality sensitizing readers to grief s varied expressions and equipping culturally intelligent pastoral caregivers He presents five compassionate intercultural care practices for coping with grief grounding each in the living hope of the redemptive work of Jesus Christ the one who bore our griefs and carries our sorrows

Franzen M.Div. BCC,2025-01-26 Imagine sitting at the feet of Jesus with Him telling you His very own story of how He
created you Who better to tell God s story about you than God Himself How do we hear the purity of that story The Narration
of Creation shares a progression through God s revelation of the Genesis creation in a fresh inspirational way It describes
two lenses in which we interpret through and the contrast between the two God intended His story to unfold from His
perspective a top down perspective rather than from the usual ground up viewpoints This study reveals the very person and
nature of God Himself and in doing so offers new contributions to our understanding of God s creation story Hearing the
purity of the creation narrative allows you to discover your true identity find security and belonging and feel valued and loved
beyond measure Uplifting and enlightening this devotional style study invites you to view the creation story through the lens
