Prelude To World Power American Diplomatic History 1860 1900

Kenneth J. Blume

Prelude To World Power American Diplomatic History 1860 1900:

Prelude to World Power Foster Rhea Dulles, 1968 *Historical Dictionary of U.S. Diplomacy from the Civil War to World War I* Kenneth J. Blume, 2016-10-20 The period encompassed by this volume with the start of the Civil War and World War I as bookends has gone by a number of colorful names The Imperial Years The New American Empire America's Rise to World Power Imperial Democracy The Awkward Years or Prelude to World Power for example A different organizing theme would describe the period as one in which a transformation took place in American foreign relations But whatever developments or events historians have emphasized there is general agreement that the period was one in which something changed in the American approach to the world This second edition of *Historical Dictionary of U S Diplomacy from the Civil War to World War I* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about diplomacy during this period *Prelude to World Power* Foster Rhea Dulles (historicus), 1965 **The A to Z of U.S. Diplomacy from the Civil War to World War I** Kenneth J. Blume, 2010-02-12 The A to Z of U S Diplomacy from the Civil War to World War I provides a convenient introduction to a critical period of American diplomacy The half century from 1861 to 1914 formed a crucial time in the development of the American approach to the world for the United States laid the foundations for its 20th century foreign policy While the famed Monroe Doctrine insisted that no foreign power meddle in the American continent it did not stop the U S from waging war against Spain mixing in conflicts in Cuba Chile and Mexico nor in backing independence for Panama all the while acquiring smaller Pacific islands The book includes o An introductory essay outlining main themes and problems of the era o A chronology of main events o Over 1 000 separate cross referenced dictionary entries exploring all aspects of American Diplomacy o Appendixes providing lists of presidents secretaries of state war and navy all American diplomatic ministers and ambassadors and most U S consuls o A photographic section with images of significant individuals and locations o A bibliography facilitating further research *Historical Dictionary of the Civil War and Reconstruction* William L. Richter, 2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume *Historical Dictionary of the Civil War and Reconstruction* looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and

comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction

International Rivalry and Secret Diplomacy in East Asia, 1896-1950 Bruce Elleman, 2019-08-30 East Asia was a major focus of struggle between the United States and the Soviet Union during the Cold War of 1945 to 1991 with multiple hot and cold conflicts in China Korea and Vietnam The struggle for predominance in East Asia however largely predated the Cold War as this book shows with many examples of the United States and Russia the Soviet Union working to exercise and increase control in the region The book focuses on secret treaties 26 of them signed from the mid 1890s through 1950 when secret agreements between China and the USSR including several concerning the Chinese Eastern Railway gave Russia greater control over Manchuria and Outer Mongolia One of the most important was negotiated in 1945 when Stalin signed the Sino Soviet Friendship Treaty with Chiang Kai shek and the Chinese Nationalists that included a secret protocol granting the Soviet Navy sea control over the Manchurian littorals This secret protocol excluded the US Navy from landing Nationalist troops at the major Manchurian ports thereby guaranteeing the Chinese Communist victory in Northeast China from Manchuria the Chinese Communists quickly spread south to take all of Mainland China To a large degree therefore this formerly undiscussed secret diplomacy set the underlying conditions for the Cold War in East Asia

American Diplomatic History Since 1890 Wilton B. Fowler, 1975 *Historische Zeitschrift* Heinrich von Sybel, 1962 *Adult Catalog: Subjects* Los Angeles County Public Library, 1970 *Where Eagles Do Not Dare. Moderate Revisionism in International Politics* Lorenzo Termine, 2025-02-18 When and how do great and middle powers moderately challenge the status quo These compelling questions have largely been overlooked in International Relations literature which typically views the cyclical rise of revolutionary revisionist great powers as an unchanging aspect of international politics Conventional thinking suggests that after peace or major agreements are established a new international status quo emerges provoking major dissatisfied states to challenge it Sometimes these challenges escalate to full scale wars or intense competitions with the status quo powers those committed to defending and maintaining current conditions Yet revisionism does not always manifest as great power war or outright competition it can take more moderate forms This book addresses this neglected puzzle with two key aims The first is explicative seeking to provide a solid and novel causal explanation of this recurring phenomenon in international politics The second aim is typological to construct a more nuanced and precise typology of revisionism that focuses on foreign policy means To validate its new theoretical framework the book examines three case studies the United States Italy and China spanning three distinct regions and historical contexts and featuring diverse political regimes the late 19th century the interwar period and the Cold War

Citizen of a Wider Commonwealth Edwina S. Campbell, 2016-04-21 8 Home 1879 Conclusion Appendix Chronology of Grant s Diplomacy Notes Bibliography

Index About the author The World of Ulysses S Grant series statement Back Cover Europäisches Konzert und nationale Bewegung Winfried Baumgart, 1999 Band 6 des Handbuchs der Geschichte der Internationalen Beziehungen behandelt einen der dynamischsten Zeitabschnitte der neuesten Geschichte fünf Jahrzehnte welche die Landkarte Europas verändern und seine Dominanz auf den übrigen Kontinenten der Welt weiter verstärken während mit den USA sich bereits eine neue Weltmacht ankündigt University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles University of California (System). Institute of Library Research, University of California, Berkeley, 1972 *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography, 1978 Anuario de historia del estado, la economía y la sociedad en América Latina Richard Konetzke, Hermann Kellenbenz, 1968 *Scharnierzeit 1895-1907* Magnus Brechtken, 2006 *Völkerrecht und internationale Beziehungen*, *Booklist*, 1965 **The American Spirit** Thomas Andrew Bailey, 1978 **Retracing Our Steps** Myron A. Marty, 1972 Volume 1 Source documents from the major periods of American history provide the framework for this unique study of our nation's past Each of the 17 chapters in Volume 1 centers around a particular episode and corresponds to material generally covered in first semester U S history courses The text zeroes in on specific people and events to present an in depth study of our past at the same time the topics are highly pertinent to contemporary movements and ideas in America Volume 2 As in Volume 1 chapters deal with major events of the American past starting with the aftermath of the Civil War and continuing to analyses of the urban crisis and Indochina war of the 60s and 70s Publisher
