volume encyclopedia will gain scientific sociological and demographic insight into the complex relationship between plants and humans across history Comprising three volumes and approximately half a million words this work is likely the most comprehensive reference of its kind providing detailed information not only about specific plants and food crops such as barley corn potato rice and wheat but also interdisciplinary content that draws on the natural sciences social sciences and humanities The entries underscore the fascination that humans have long held for plants identifies the myriad reasons why much of life on earth would be impossible without plants and points out the intertwined relationship of plants and humans and how delicate this balance can be While the majority of the content is dedicated to the food plants that are essential to human existence material on ornamentals fiber crops pharmacological plants and carnivorous plants is also included

**Secrets of Rose Briar Hall** Kelsey James,2024-06-25 In this Gilded Age gothic homage to Gaslight starring Ingrid Bergman a wealthy young newlywed in early 20th century New York is isolated within her opulent yet ominously empty mansion by the charismatic and controlling new husband plotting to undermine her sanity A gothic mystery as full of twists and turns as a Victorian staircase I couldn't put it down Lisa Jackson 1 New York Times bestselling author 1908 Long Island For Millie Turner the young and beautiful wife of a powerful New York stockbroker Rose Briar Hall a gleaming edifice of white marble on the North Shore is more than a home Every lavish detail speaks of Charles Turner's status and wealth and its stylish interior is testament to Millie's sophistication All that's left is to prove her worthiness to be his bride What better way than to throw a grand party for New York's social elite After painstaking planning the night of the event arrives and all is perfection until Millie wakes to a cold eerily quiet house and a gray cloud where her memory should be Can it be true that she has been in and out of consciousness for weeks ever since the party took a terrifying turn Millie recalls nothing But her friends have shunned her and it soon becomes clear that if she can't find out what really happened that night much more than her reputation will be at risk As the house that promised so much happiness begins to feel more like a prison Millie wonders whether a woman alone even a wealthy one can ever be entirely safe And if she succeeds in finding the truth will it bring relief or shake her marriage and her life to the core      **Delphi Complete Poetical Works of The Confederation Poets (Illustrated)** Charles G.
