**Marilyn J. Chiat**

## **Popular Religion In America Symbolic Change And The Modernization Process In Historical Perspective:**

**A Religious History of the American People** Sydney E. Ahlstrom, 2004-01-01 This classic work winner of the 1973 National Book Award in Philosophy and Religion and Christian Century's choice as the Religious Book of the Decade 1979 is now issued with a new chapter by noted religious historian David Hall who carries the story of American religious history forward to the present day Praise for the earlier edition An unusual and praiseworthy book It takes a modern almost anthropological view of history in which worship is a part of a web of culture along with play love dress and language B A Weisberger Washington Post Book World The most detailed most polished of the works in its tradition Martin E Marty New York Times Book Review An intellectual delight that one does not so much read as savor America The definitive one volume study by the leading authority Christianity Today No one writing or thinking hereafter about America's past will be able to ignore Ahlstrom's magisterial account of the religious element American Historical Review **America's Religious**

**Architecture** Marilyn J. Chiat, 1997-10-07 From the Moorish synagogue in small Texas town to the New England meetinghouse nestled in the palm trees of Hawaii this comprehensive historical survey of America's religious architecture celebrates the country's ethnic and spiritual diversity through the magnificent breadth of these community landmarks The first comprehensive architectural and cultural history of its kind the book features 500 places of worship nationwide many listed on the National Register of Historic Places Includes over 300 black and white photographs and foreword by Bill Moyers creator of the PBS Genesis series *After Redemption* John M. Giggie, 2007-11-21 After Redemption fills in a missing chapter in the history of African American life after freedom It takes on the widely overlooked period between the end of Reconstruction and World War I to examine the sacred world of ex slaves and their descendants living in the region more densely settled than any other by blacks living in this era the Mississippi and Arkansas Delta Drawing on a rich range of local memoirs newspaper accounts photographs early blues music and recently unearthed Works Project Administration records John Giggie challenges the conventional view that this era marked the low point in the modern evolution of African American religion and culture Set against a backdrop of escalating racial violence in a region more densely populated by African Americans than any other at the time he illuminates how blacks adapted to the defining features of the post Reconstruction South including the growth of segregation train travel consumer capitalism and fraternal orders and in the process dramatically altered their spiritual ideas and institutions Masterfully analyzing these disparate elements Giggie's study situates the African American experience in the broadest context of southern religious and American history and sheds new light on the complexity of black religion and its role in confronting Jim Crow **Spiritual, But Not Religious** Robert C. Fuller, 2001 Fuller traces the history of alternative spiritual practices in America including astrology Transcendentalism and channeling *Evangelical Gotham* Kyle B. Roberts, 2016-11-07 At first glance evangelical and Gotham seem like an odd pair What does a movement of pious converts and reformers have to do with a city notoriously full of temptation and sin More

than you might think says Kyle B Roberts who argues that religion must be considered alongside immigration commerce and real estate scarcity as one of the forces that shaped the New York City we know today In *Evangelical Gotham* Roberts explores the role of the urban evangelical community in the development of New York between the American Revolution and the Civil War As developers prepared to open new neighborhoods uptown evangelicals stood ready to build meetinghouses As the city's financial center emerged and solidified evangelicals capitalized on the resultant wealth technology and resources to expand their missionary and benevolent causes When they began to feel that the city's morals had degenerated evangelicals turned to temperance Sunday school prayer meetings antislavery causes and urban missions to reform their neighbors The result of these efforts was *Evangelical Gotham* a complicated and contradictory world whose influence spread far beyond the shores of Manhattan Winner of the 2015 Dixon Ryan Fox Manuscript Prize from the New York State Historical Association

*Historisches Jahrbuch* Görres-Gesellschaft, 2004 Includes the section Novit tenschau v 1 40 B cherschau v 41 49

Modern American Popular Religion Charles H. Lippy, 1996-01-19 Lippy makes a case for the importance of exploring popular religion if one is to understand the dynamics of modern religious life The first annotated bibliography on the subject this work features over 550 entries topically arranged Lippy provides a critical assessment of the state of the study of popular religion including an examination of theoretical materials that wrestle with trying to define precisely what popular religion is This book is of interest to scholars students and anyone concerned with understanding today's religion The bulk of the work consists of critical annotations of books articles and dissertations that deal with various aspects of popular religion in the United States from 1870 to the present The topics covered include background studies biographical works titles dealing with fundamentalism and evangelicalism expressions of popular religion in the arts the use of mass media and personal spirituality The work is of great importance as long as Americans engage in the human quest to make sense out of their own experience and look beyond themselves to a supernatural realm that will assist them in ordering their lives

*Popular Religion in America* Peter W. Williams, 1980 Williams provides a thought provoking overview of popular religion in America that will intrigue specialist and student alike He has both answered many questions and raised important new ones on the nature and development of American popular religion *Journal for the Scientific Study of Religion* Pioneering I for one am glad he combined scholarship andchutzpah for this modestly immodest first word *Catholic Historical Review*

**Twentieth-Century Shapers of American Popular Religion** Charles H. Lippy, 1989-03-27 Those familiar with the uneven quality of existing biographies and autobiographies of modern American religious celebrities will be especially grateful for the critical comments and reliable information in this engaging volume Choice Despite its pervasive influence popular or non official religion in twentieth century America has been largely ignored by scholars This book is the first biographical reference to be published on the subject It examines the lives and careers of more than sixty notable individuals who have helped to shape popular religious sentiment in this century including radio and television preachers inspirational

writers gospel songwriter performers mass revivalists and leaders of religious movements that cut across denominational lines In his introduction Lippy discusses the eclectic and individualistic character of popular religion its impact on American attitudes and behavior and critical approaches to interpreting and understanding it Each essay offers a brief biography followed by a critical appraisal of the contribution of the subject and an assessment of relevant literature Entries conclude with a selective bibliography Cross referencing and a comprehensive index are supplied Combining the efforts of more than forty scholars Lippy s book is the first to give us a clear picture of the many different kinds of people who have left their mark on popular religious consciousness in the twentieth century A useful reference for American studies American religious history popular culture studies and related areas this volume will also be of interest to general readers     Handbook of American Popular Culture: Propaganda-women: Propaganda M. Thomas Inge,1989 This handbook seeks to assemble in one place the basic bibliographical data needed to begin the study of most of the major areas of popular culture Each chapter provides a brief chronological survey of the development of the medium or topic a critical guide in essay form to the standard reference works bibliographies histories critical studies and journals a description of research centers and collections of primary and secondary materials and a bibliography of works cited in the text The revised edition includes new material and chapters on topics such as business catalogs computers dance fashion gardening and graffiti ISBN 0 313 25406 0 set lib bdg 150 00 For use only in the library     *The Catholic Historical Review* ,1981     **Critical Review of Books in Religion** ,1988

**Religion in America** Julia Mitchell Corbett,Julia Corbett Hemeyer,1999-07 For undergraduate courses in Religion in America Concise yet thorough this text introduces the vast variety of religious groups and activities both ecclesiastical and popular that make up the American religious picture today It presents the academic study of religion within the context of the humanities discussing religion in a spirit of mutual exploration and learning rather than in terms of what is right and wrong Coverage emphasizes the current state of today s religions paying particular attention to the religious diversity found in the United States     Theologische Revue ,1980     Jewish Folklore and Ethnology Review ,1996     *Choice* ,1989

America, Religions and Religion Catherine L. Albanese,1992 Clearly written in accessible language this text presents an introduction to religion in the United States by one of the most influential young scholars in the field giving students the benefit of the author s extensive scholarship and research     **Historical Magazine of the Protestant Episcopal Church** Edward Clowes Chorley,Walter Herbert Stowe,Lawrence L. Brown,1984 Includes section Book reviews     *Guide to Reprints* Albert James Diaz,2000     **Subject Guide to Books in Print** ,1975

This book delves into Popular Religion In America Symbolic Change And The Modernization Process In Historical Perspective.
