Pandemic Playlist Kevin Farrell, 2024-09-05 *Pandemic Playlist* An Exploration of COVID inspired Popular Music takes readers back to 2020 when the COVID 19 pandemic wreaked havoc on the music industry Focusing on those artists who responded directly to the pandemic with their music Kevin Farrell explores a selection of songs written and recorded about COVID 19 These songs range from the hilariously tongue in cheek to the painfully earnest to the self righteously angry coming from musicians obscure world famous and up and coming Farrell argues that these songs both originals and repurposed covers are best classified by rhetorical approach rather than musical style identifying four basic categories of COVID inspired popular music the Coronavirus Anthem Bono's Let Your Love Be Known Alicia Keys Good Job Pandemic Pop Cardi B and iMarkkeyz's Coronavirus Curtis Roach and Tyga's Bored in the House the COVID Cover Gal Gadot's Imagine Juvenile's Vax That Thang Up and Pandemic Protest Ian Brown's Little Seed Big Tree Kid Rock's We The People Through a study of these songs and many more this book seeks to understand what the pandemic and the music it inspired can teach us about the previously unimaginable

Dying for a Paycheck Jeffrey Pfeffer, 2018-03-20 In one survey 61 percent of employees said that workplace stress had made them sick and 7 percent said they had actually been hospitalized Job stress costs US employers more than 300 billion annually and may cause 120 000 excess deaths each year In China 1 million people a year may be dying from overwork People are literally dying for a paycheck And it needs to stop In this timely provocative book Jeffrey Pfeffer contends that many modern management commonalities such as long work hours work family conflict and economic insecurity are toxic to employees hurting engagement increasing turnover and destroying people's physical and emotional health and also inimical to company performance He argues that human sustainability should be as important as environmental stewardship You don't have to do a physically dangerous job to confront a health destroying possibly life threatening workplace Just ask the manager in a senior finance role whose immense workload once handled by several employees required frequent all nighters leading to alcohol and drug addiction Or the dedicated news media producer whose commitment to getting the story resulted in a sixty pound weight gain thanks to having no down time to eat properly or exercise Or the marketing professional prescribed antidepressants a week after joining her employer In *Dying for a Paycheck* Jeffrey Pfeffer marshals a vast trove of evidence and numerous examples from all over the world to expose the infuriating truth about modern work life even as organizations allow management practices that literally sicken and kill their employees those policies do not enhance productivity or the bottom line thereby creating a lose lose situation Exploring a range of important topics including layoffs health insurance work family conflict work hours job autonomy and why people remain in toxic environments Pfeffer offers guidance and practical solutions all of us employees employers and the government can use to enhance workplace wellbeing We must wake up to the dangers and enormous costs of today's workplace Pfeffer argues

Dying for a Paycheck is a clarion call for a social movement focused on human sustainability Pfeffer makes clear that the environment we work in is just as important as the one we live in and with this urgent book he opens our eyes and shows how we can make our workplaces healthier and better
